

PULMONARY/CRITICAL CARE LETTER OF RECOMMENDATION

*Tauseef El-Hosary, M.D.
Department Head
Pulmonary/Critical Care
Anders Hospital*

*Date
To the Committee Chair:*

One of the privileges of this position is the opportunity to observe and to oversee a young resident physician who is gifted above their peers. Such an individual is among the few who have a wealth of knowledge and skills and truly understands the privilege of patient service. These qualities are embodied by Dr. Mohammed Ghanish.

As a medical resident in in this department, Dr. Ghanish's responsibilities were varied and often highly demanding. In adding to expert performance in consultations and follow up evaluations in the medical/surgical/ICU as well as in outpatient clinics, Dr Ghanish's participation in rounds and conduct of patient medical histories exemplified medical professionalism.

Although advanced in his command of diagnostics and treatment options, he was as astute a student as he was a practitioner. His questions and comments during bronchoscopies and in lung function observations, invariably apprehended and deftly analysed all attendant variables.

Beyond a command of specialty specific knowledge, his work ethic was tireless and his critical thinking and analytical acumen frequently impressed senior staff. Yet, at the same time, he was and is one of the most affable individuals and his kind and expert responsiveness to patients was consistently a model for others.

In sum, not only am I certain any fellowship program would benefit to count him among their number, I am doubtless that once training is complete he will, in many ways, personify what it means to be a practitioner in that area. If you have any questions at all, it would be my pleasure to discuss this evaluation in greater depth.

*Sincerely,
Tauseef Qureshi, M.D.
Department Head
Pulmonary/Critical Care*
