Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man. The Ex Wives Guide to Divorce was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high-paid attorney, the wife is frantic and disorganized, most likely spending her energy on the phone with her best friend or sister instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the business of divorce in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first-hand and offer advice on how to build a support system and come out ahead. This book charges women to put their big girl panties on and maintain a tenacious spirit while preparing and organizing for their divorce. Encyclopedia of Television Shows Vincent Terrace, 2018-01-14 This is a supplement to the author's Encyclopedia of Television Shows 1925-2010. It covers 1,612 series broadcast between January 1, 2011, and December 31, 2016. Major networks ABC, CBS, the CW, Fox, and NBC are covered, along with many cable channels such as AMC, Disney, Nickelodeon, Bravo, Lifetime, Discovery, TNT, Comedy Central, and History Channel. Alphabetical entries provide storylines, casts, networks, and running dates. A performer index is included. **The Empowered Woman's Guide to Divorce** Jill Murray PsyD, Adam Dodge JD, 2017-08-21 Every woman considering divorce or in the midst of a divorce should be empowered to make intelligent, well-thought-out choices for herself and for her children.
