Write Better, Speak Better Joseph Madappally,2004-06 This is a compilation of common errors in English among Indian users and as mentioned above is a selection and adaptation of the column which the author had serialised in Career Deepika The entries are done according to alphabetical order with the main word of common error given in bold The entries highlight the right sentence and the corresponding wrong use Brief grammatical explanations are also given alongside to educate the reader on why one is right and the other is wrong Sometimes more examples are provided Grammatical classes are marked out in groups for instance prepositions articles adverbs and so on Since the arrangement is alphabetical the book would be more useful as a ready reckoner than a book for reading from end to end Explanations are kept to the minimum and so need not tire the reader who just would like to know what is right and what is wrong Therefore the book can be considered an useful addition to any learner s ready reference

PIERRE LOTI Lesley Blanch,2019-08-07 The definitive biography of the eccentric bisexual naval officer traveller amateur acrobat and best selling novelist who was given a state funeral in 1923 the only French writer to have received such an honour other than Victor Hugo Pierre Loti born Julien Viaud in 1850 was himself his own fictional creation and lived his picaresque fantasies instead of just imagining them Everything he wrote novels included is partly autobiographical He had a powerful influence on Marcel Proust and Henry James Bohemian exotic and fiercely romantic adored and scorned by French society in equal measure Loti spent his life escaping the constraints of bourgeois France and in so doing redefined his age He travelled the South Seas Asia and the Middle East his great obsession and loved with intense passion and freedom wherever he went One of the first foreign correspondents Loti s published work includes travel books and war reports from Indochina Turkey and China during the Boxer rebellion Today his house in Rochefort is a museum One elaborately tiled room is a fantasia of a mosque Another room evokes a medieval banqueting hall

NEW YORK REVIEW OF BOOKS Part Casanova part Ren and part Baron M unchhausen Loti got out of scrapes and away with behaviour that would normally lead to disaster disgrace even death as in the case of the Turkish lady whom he abducted from her husband s harem night after night and sometimes for days on end This adventure forms the subject of his anonymously published novel *Aziyad* 1877

This is my third book It pretty much follows similar writing subjects and patterns as my first two books All poems are written in song format with verses and choruses and sometimes a bridge Some may even have a few chords or riffs to go along I tried to keep a balance of fiction and non fiction as well as dark and happy places I typically put myself into a character role when I write so don't be worried about my sanity it's just a way that I can justify anything I say I do hope the songs make you think smile grimace or even shed a tear
