6. What memories does the Giver wish to transmit to Jonas to help him escape from the community?

- Memories of courage
- Memories of a job he made
- Memories of his family
- Memories of the old
- Memories of color

## ANSWERS

7. Despite Jonas's wish to know the Giver more with as he escaped, explain why the Giver told Jonas that he needed to stay until Jonas escaped.

The Giver needed to stay because the community would be overwhelmed with emotions. They will need time to digest them and that is the Giver's role. Another reason he stayed behind was because after this is done, he would want to join Rosemary for daughter's death.

8. In your own words, explain why Rosemary's request to be released was so painful to the Giver.

Rosemary was the Giver's daughter. He gave pain to his daughter and felt the grief of losing his daughter because he believed she was to die. The second part is that he saw it.

## ANSWERS

**Discussion:** Describe your thoughts and feelings as one of the twins was "released."

Also, think about the bond Jonas built with the Giver. How do you think he feels about the Giver now that he has received all these memories and the Giver is helping him escape?

Jonas must have been horrified as he watched his own father "release" one of those boys. It's important to know that he is just a teenager when he sees this. The pain of watching a baby get released is horrible enough. Watching someone you respect left a baby must be even worse.

It must be painful for Jonas to say goodbye to the Giver because the Giver had helped Jonas understand what life truly was and how it was meant to be lived. The Giver is essentially seeing his life and allowing him to experience it for himself. This is what a true father would do. It is almost as if the Giver becomes the father figure Jonas lacked and the Giver, by helping Jonas escape, is doing what any father would for their child.

The more memories that flow to the planet sat, Jonas will more have as he moves on going forward.
