Which of the following is NOT one of the benefits of current year and cumulative expenditures for camera/drone product R&D? - Reducing total annual compensation costs for PAT's because such spending once it reaches \$25 million annually and a cumulative total of \$100 million, allows the size of PAT's to be reduced from 4 persons to 2 persons

Boosting a company's P/Q rating (the size of this benefit varies with the current and cumulative amounts spent and show up in the P/Q rating's at the beginning of the following year.

Which of the following are the four geographic regions in which the company is currently selling its action cameras and UAV drones? - Europe-Africa, Latin America, Asia Pacific, and North America

The company has its camera and drone assembly facilities ? - Taiwan

Which one of the following is NOT a factor in determining a company's action camera sales and market share in a particular geographic region? - The amounts by which the company's credit rating and customer service rating are above/below the regional average

Which of the following statements about your company's assembly operations for cameras and drones is FALSE? - Cameras and drones are both assembled by 4-person PATs, however installation of robotic upgrades to camera drone workstations permits the size of PAT's to be cut to 3 person

Which of the following is NOT accurate as concerns the online retailers of unmanned aerial view drones and or the buyers of unmanned aerial view drones? - Potential buyers pay little attention to the search engine advertising they encounter when browsing for information about UAV drones, and their decisions ultimately purchase this or that brand are unaffected by these ads.

When two brands of drones have slightly different prices and P/Q ratings (and all other buyer considerations are on balance, an even trade-off between the two brands) then a bigger percentage of buyers in North America and Europe-Africa (as compared to the Asia Pacific and Latin America Regions will disregard which brand has the higher P/Q rating and purchase the lower price brand
