*A Field Guide for Everyday Mission* Ben Connelly, Bob Roberts, 2014-05-19 Surprise whoever you are you're a missionary. If you call yourself a follower of Jesus, God calls you his missionary. You may never go halfway around the world. You may not raise financial support. But because of God's gospel work in you, you are on mission to people in your work, school, neighborhood, and those in need. As everyday missionaries, God has sent us to live out his Great Commission in the ordinary, normal, all too busy, and even most mundane moments of our lives. But what exactly does an everyday missionary do? Where and when does this everyday mission happen? Most importantly, how can you possibly share the gospel without killing your relationships? Those are the types of questions *A Field Guide for Everyday Mission* answers for individuals, churches, small groups, Sunday schools, and missional communities. Many resources exist on missional theory, missional leadership, and even missional stories. But based on their years of helping people tangibly demonstrate the gospel, pastors and practitioners Ben Connelly and Bob Roberts Jr. have created an immediately implementable resource to help ordinary followers of Jesus put the idea of mission into everyday practice. Each day's reading includes a biblical principle that can immediately be put into practice. Each reading ends with a few ways to help you live out the principle in your daily life. By the end of day 30, you'll have 101 different ways to demonstrate the gospel in your daily life. And along the way, other practitioners such as Jeff Vanderstelt, Rick McKinley, and Lance Ford share stories about living on God's everyday mission in their unique context. *A Field Guide for Everyday Mission* is a tool designed for you, whether you're newly considering the missional idea, whether you've never heard the word before, or whether you've spent years trying to figure out how to put that idea into practice.

**A Field Guide for Genuine Community** Ben Connelly, 2021-07-06 I'm surrounded by people at church, so why do I feel so alone? You show up at church every Sunday. You see people you know. You listen to a sermon together. And then you go home feeling just as isolated as you did before. What's going on? We all know that a church is supposed to be a community. The trick is to actually make it one. Communities don't happen by chance, certainly not in our Lone Ranger culture that values independence and individualism. A truly Christian community must be built by intentional practices that allow for deeper connections centered on the unity that can only be found in Christ. In *A Field Guide for Genuine Community*, longtime pastor and discipleship trainer Ben Connelly shows you that the biblical model for community is the family of God. In twenty-five short practical readings, he takes you beyond the surface and helps you learn to connect with your brothers and sisters as true family members. The church isn't meant to be a collection of strangers. God intends for you to find a unified and purposeful household where you truly belong.

**The Field Guide for Small Group Leaders** Sam O'Neal, 2023-06-06 The *Field Guide for Small Group Leaders* provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation.
