

Will's Wedge Plan

1						
2		Hour 1	Hour 2	Hour 3	Hour 4	Hour 5
3	Week 1	<p>3 balls from 20,30,40,50,60,70,80, 90, 100, First ball low, second ball medium trajectory and third ball is a repeat of what ever shot you hit worse.</p> <p>You do not have to go in order feel free to go 90,50,20,100 etc</p>	<p>Random yardage work.</p> <p>40 shots total all from different distances. Go to the 100 yards from middle of green and throw 5 balls to various distances and lies. Shoot your yardage with laser and pick a flight.</p>	<p>Step back, move forward.</p> <p>start at 60 yards from the pin. Hit 2 balls if both finish within 20 feet move up to 50 yards and repeat. If at any yardage you are unsuccessful move back 10 yards and repeat. The game is over when you either get to 10 yards from the green or outside 120 yards.</p>	<p>Repeat Hour 1 but from rough only</p>	<p>Play it out.</p> <p>Play 18 holes from 150 yards Everything is a par 3, and you have to hole everything no gimmies!!!!</p> <p>Mix it up and play different holes to hit to different pins. If time docent allow feel free to play 3 or 4 balls on the same hole. This game shouldn't take 4 hours 50 max.</p>
4	Focus	<p>Focus on controlling height of each shot and keep an eye on how the two different shots react on the green</p>	<p>Be sure to throw balls to different sides and different distances. The idea her is no full swings and awkward distances that aren't always even.</p>	<p>Focus on stiffing it!!</p> <p>The game gets very easy if you can dial in your first few yardages and move up. The game gets brutal if you hang out going back and forth from 120 to 100 yards.</p>		<p>This will test your focus and commitment to every shot more then anything. Hitting the same yardage 18 times gets boring.</p>
5	Goal	<p>Out of 27 shots 20 need to be within 20 feet. If successful session can be done. If less then 20 repeat 4 worse distances.</p>	<p>Out of 40 shots all 40 have to finish on the green. If not hit 10 more random until all 10 are on green.</p>	<p>Win the game on first try never move above 60 yards</p>		<p>Finish under par.</p>

Golf Practice Plan Highschool:

Mental Training for High School, and College Golfers Jim Kerley, 2011 The first thing to remember about this program it is not just a book but a complete course in mind training To take this course the person must have an open mind and a huge desire for success Without desire to be the best you can be in the game of golf this course is not for you This course teaches the basic principles over and over with exercises in every chapter This is not only a course but a players diary of their goals practice techniques on course mental goals during competition Every player that completes this course will automatically cut 8 to 10 strokes off their game It is a must you follow each chapter and the exercises for success This course will repeat until each player understands The course teaches a player who they really are controls anger develops honesty trust and confidence Why spend thousand of dollars on equipment and lessons before we train the mind first We are teaching backwards the principles of true golf Yes there are a lot of great golfers coming up but each one is understanding the mental side first starting with Tiger Woods at a very early age The competition is greater courses are longer and thousands of young golfers coming on the scene Why wait this is the first and only mental training complete course Remember this is not just a book Time to take charge of your game now Consider the price of a golf lesson This course is much more valuable at the same price You will not be dissappointed
