Good Amharic History:

Feasting on History James De Lorenzi, 2025-07-15 During the brutal Italian occupation of Ethiopia 1936-1941 the country descended into endless counterinsurgency and mass violence which specifically targeted local intellectuals with the sanction of Italy's leading experts. Yet these atrocities followed decades of dialogue between Ethiopian and Italian researchers and in the postcolonial era their successors continued to debate Ethiopia's past and future as survivors and perpetrators. This historical reckoning unfolded against the backdrop of Third World liberation, disputed colonial guilt, and the search for postcolonial justice. *Feasting on History* is a wide-ranging intellectual history of the Italian-Ethiopian relationship told through the intertwined lives of Heruy Wold Sellas, an Ethiopian writer and civil servant, and Enrico Cerulli, an Italian Orientalist and colonial official. It takes place on the battlefields and detention sites of fascist empire within the evolving institutions of the international system and throughout the interlinked intellectual worlds of Europe, Africa, and the African diaspora. James De Lorenzi documents the violence perpetrated by experts across these spaces as well as the pioneering Ethiopian effort to address the crimes of empire through international law. He also explores a distinctive European tradition of Africa-focused Orientalism and its critical reception by Ethiopian, African, and Black American scholars, reconstructing a bold multilingual commentary on colonial knowledge, self-determination, and the global color line. Challenging conventional narratives of African and European intellectual history, *Feasting on History* vividly illuminates the links among weaponized research, colonial trauma, and the modern international order. *The Analytical Review, Or History of Literature, Domestic and Foreign, on an Enlarged Plan*, 1790. Containing scientific abstracts of important and interesting works published in English, a general account of such as are of less consequence with short characters, notices, or reviews of valuable foreign books, criticisms on new pieces of music and works of art, and the literary intelligence of Europe.

Using a vast range of sources, Greek and Roman reports, Biblical passages, Egyptian hieroglyphs, and Ethiopian chronicles, an enthralling narrative history is presented with clarity. This reissue will be of particular interest to students of Ancient Egyptian culture, religion, and history.

The Natural History of Man James Cowles Prichard, 1848 **The Oxford Encyclopedia of Women in World History** Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and

have researched the leadership roles women have filled across time and region. They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected. The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes. The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use. The entries cover six main areas: biographies, geography and history, comparative culture and society, including adoption, abortion, performing arts, organizations and movements such as the Egyptian Uprising and the Paris Commune, women's and gender studies, and topics in world history that include slave trade, globalization and disease. With its rich and insightful entries by leading scholars and experts, this reference work is sure to be a valued go-to resource for scholars, college and high school students, and general readers alike.

Life History of Sultan Alimirah Kadafo Hanfare, 2013-10-22. Sultan Alimirah Hanfare 1921-2011 was born in Awsa, Ethiopia, in a village called Fursee. He was born to father Hanfare Aydahis and mother Hawy Omar in the early 1920s. His grandfather Mohammed Hanfare Illalta was a famous king of Afar who participated in the Adwa battle with Emperor Menelik against the Italians. He also defeated the invading Egyptian army led by Ismail Basha to conquer Ethiopian lands. Sultan Alimirah himself, as a young man in Awsa, joined the group of young Ethiopians who resisted the Italian occupation of Ethiopia. After the defeat of Italy by the Ethiopians, Sultan Alimirah, together with his brother-in-law Yayo Hamadu, were amongst the Afar people who welcomed the victorious return of the Emperor Haile Selassie in Addis Ababa.

Cyclopaedia Charles Knight, 1861. Between the Jaws of Hyenas - A Diplomatic History of Ethiopia (1876-1896) Richard Caulk, 2002.

With the publication of this book, the definitive work on the diplomatic history of Ethiopia in the last quarter of the nineteenth century could be said to have seen the light of day. The book deals with a crucial period when the destiny of Ethiopia hung in the balance. The question, as indeed it was the case for the rest of Africa, was whether the country was to remain independent or become colonized. Menilek, combining diplomatic and military initiatives, not only ensured that Ethiopia remained independent but also expanded its territory to unprecedented limits. The book is based on a critical reading of the secondary literature as well as an exhaustive and analytical use of all the pertinent archival sources, the memoirs and biographies of the principal European characters, and Ethiopian chronicles, biographies, and other primary sources. It can serve as the standard text for teaching courses on Ethiopia and the Horn at the university level. At the same time, it provides a useful background to those interested in the formation of the modern Ethiopian state as well as its troubled relations with what eventually became Eritrea.
