Google+: The Missing Manual Kevin Purdy, 2012 This first to market book on Google helps readers get started with Google's new social networking platform that reimagines how to connect and share personal and public information with friends family and colleagues.

Google Apps: The Missing Manual Nancy Conner, 2008-05-27 Among its many amazing applications Google now has web based alternatives to many of the applications in Microsoft Office. This comprehensive and easy to follow new book enables you to explore Google's new office applications in detail. Once you do you'll be in good company more than 100,000 small businesses and some corporations are already looking to take advantage of these free Google offerings. Google Apps The Missing Manual teaches you how to use three relatively new applications from Google Docs and Spreadsheets which provide many of the same core tools that you find in Word and Excel and Google Calendar and Gmail the applications that offer an alternative to Outlook. This book demonstrates how these applications together can ease your ability to collaborate with others and allow you access to your documents mail and appointments from any computer at any location. Of course as remarkable as these applications are Google's office suite is definitely a work in progress. Navigating what you can and can't do and more importantly understanding how to do it isn't always easy. And good luck finding enough help online. Google Apps The Missing Manual is the one book you need to get the most out of this increasingly useful part of the Google empire. This book Explains how to create save and share each of Google's web based office applications. Offers separate sections for Docs and Spreadsheets Google Calendar and Gmail. Demonstrates how to use these applications in conjunction with one another. Gives you crystal
