Reading in the Dark Jessica R. McCort, 2016-04-28 Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian *Dark novels shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated Reading in the Dark fills a gap in criticism devoted to children s popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children s cultural productions including picture books fairy tales young adult literature television and monster movies Reading in the Dark looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children s literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers experiences of such mechanisms* *Choosing Books for Children* Betsy Gould Hearne, Deborah Stevenson, 2000 Presents a tool for choosing books for children of all ages This title offers practical guidance on sorting through the bewildering array of picture books pop up books books for beginning readers young adult titles classics poetry folktales and factual books [Ban This Book](#) Alan Gratz, 2017-08-29 An inspiring tale of a young girl who fights back when her favorite book is banned from her school library by starting her own illegal locker library

Silenced in the Library Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free This examination of banned books across U S history examines the motivations and effects of censorship shows us how our view of right and wrong has evolved over the years and helps readers to understand the tremendous importance of books and films in our society Books ranging from classics such as A Farewell to Arms Lord of the Rings The Catcher in the Rye and The Color Purple as well as best selling books such as Are You There God It's Me Margaret titles in the Harry Potter series and various books by bestselling novelist Stephen King have all been on the banned books list What was the content that got them banned who wanted them banned and did the ban have the desired effect of minimizing the number of people who read the title or did it have the opposite effect inadvertently creating an even larger readership for the book Silenced in the Library Banned Books in America provides a comprehensive

examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption Included in its discussion are explanations of the true nature of the objections along with the motives of the authors publishers and major proponents of the books Content is organized based on why the books were banned such as sexual content drug use or religious objections This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years Readers will come away with a fuller appreciation of the immense power of words on a page or an eReader device to inflame and outrage influence opinion incite thought and even change the course of history

Reading Time Catherine Compton-Lilly, 2015-04-24 While teachers cannot travel back in time to visit their students at earlier ages they can draw on the rich sets of experiences and knowledge that students bring to classrooms In her latest book Catherine Compton Lilly examines the literacy practices and school trajectories of eight middle school students and their families Through a unique longitudinal lens the author has studied these same students from first grade we see how students from a low income inner city community grow and develop academically revealing critical insights for teachers about literacy development identity construction and school achievement Based on interviews reading assessments and writing samples Reading Time advocates for educators to Provide opportunities for students to develop long term relationships with teachers and administrators Allow children and parents to share their stories to identify obstacles that students encounter as they move through school Collaborate and learn from students former teachers as well as inform their future teachers Develop portfolio systems and longitudinal records that highlight children s emerging interests abilities and potential for the future Catherine Compton Lilly is an associate professor in Curriculum and Instruction at the University of Wisconsin Madison She has taught in the public school system for 18 years Her books include Reading Families Re reading Families and Bedtime Stories and Book Reports The analysis here runs deeper than other contemporary critiques of accountability regimes and standardization inviting us instead to consider how time schooling and literacy have always been co constructed Reading Time features compelling examples of literacy practices that traverse generations which could only be understood through interviews and observations extending over time Kevin Leander Vanderbilt University
