Science Fair Project Research Paper Template (Rough Draft)

Use this template to make a rough draft of your final research paper. Fill in the blanks to organize your thoughts before going to the computer lab. Read the directions and questions for each section to determine what to write in each area. Do not include any of the directions or words inside the parenthesis in your final paper. This template is a rough draft of your final paper.

Rationale

(What is the rationale for your project? Include a brief synopsis of the background that supports your research problem and explain why this research is important scientifically and if applicable, explain any societal impact of your research.)

Research Question

(What are you researching for your project? What is interesting about this question? Hook your readers with an interesting fact that might make them curious about this topic. Give the reader an idea about the possible outcome of your experiment.)

Hypothesis

(State the hypothesis for your project based on your research.)
