care planning Within the Vital Notes for Nurses series Adopts a holistic approach *Nancy Caroline's Emergency Care in the Streets Essentials Package* American Academy of Orthopaedic Surgeons (AAOS), 2022-07-29 Nancy Caroline's *Emergency Care in the Streets Essentials Package* includes Content Instruction Student Learning Materials Textbook Instructor Guide Practice Activities Audiobook Assessments Analytics Slides Only available when assigned by instructors Nancy Caroline's *Emergency Care in the Streets Ninth Edition* is the newest evolution of the premier paramedic education training program This legendary paramedic textbook was first developed by Dr Nancy Caroline in the early 1970s and transformed paramedic education Today lead editors Bob Elling and Barb Aehlert along with the American Academy of Orthopaedic Surgeons are proud to continue this legacy and set the new gold standard for the paramedics of tomorrow The Ninth Edition offers cutting edge evidence based content that meets or exceeds the most current scientific recommendations developed by the International Liaison Committee on Resuscitation ILCOR and the ECC Guidelines established by the American Heart Association and other resuscitation councils around the world Clear chapter objectives align with the 2019 National EMS Scope of Practice Model and 2021 EMS Education Standards Thoroughly reviewed by medical doctors and subject matter experts the Ninth Edition teaches students the technical skills required of today's paramedic while emphasizing other important professional attributes including critical thinking empathy teamwork communication problem solving and personal well being Taking a systemic approach to the assessment and management of traumatic and medical emergencies and devoting entire chapters to special topics such as mass casualty incidents the Ninth Edition covers the full scope of paramedic practice Some of the key high level updates to the Ninth Edition include the following Language carefully reviewed throughout text to ensure gender neutrality racial inclusivity and nonstigmatizing descriptions of patient conditions NEW Street Smarts boxes throughout the text to emphasize the soft skills expected of today's paramedics Images updated to reflect appropriate PPE in the current COVID 19 setting Added emphasis on current spinal motion restriction guidelines Thoroughly reviewed and updated references statistics and case studies CPR and ACLS algorithms updated throughout text to reflect the current AHA guidelines 2023 2400 pages [The Nostalgia for Origins](#) Carl Olson, 2024-06-11 Using the theme of nostalgia for origins this work proposes to examine the origin of religion within the context of the theory of evolution and the development of the human brain It is argued that Darwin's concept of natural selection gives the impression of making Homo sapiens passive recipients of the process of evolution To overcome this false impression and conform to the spirit of Darwin's theory this work proposes to supplement Darwin's theory by introducing a will to power into it that gives Homo sapiens agency to gain power and empower themselves to survive This achievement of empowerment has important consequences because it gives Homo sapiens an opportunity to invent religion and supernatural beings by means of their intuitive experiences performing like natural by products of the operation of evolution The human body and brain play essential roles in the process of evolution and development of religion a form of power that binds humans to transcendent

powers empowers them unites them into enduring social units represents one of the elements of the beginning of human culture and enhances their chances for survival Because of its subject matter and approach this work includes a critical appraisal of scholars using the results of cognitive science research Because Homo sapiens invented supernatural beings and religion it seems irresponsible for a contemporary individual to choose to become an atheist an option that is explored in the final chapter about whether religion has a future
