Poetry by Simon Roy Lee "Simon" Jarmon, 2014-03-03. This is a collection of poems, prose and other creative pieces. Roy has always loved words. He has always been fascinated with the English language and how each word can be utilized in various ways depending on its context. Being somewhat of a loner at times, he found solace in turning to the pen and putting his thoughts and feelings on paper. Here is a small slice of some of his collected slices of life's excursions. His hope is that these slices will create conversations, thus leading to understanding and thereby an appreciation of the other person's point of view.

Unstable Timothy Grier, 2006-04. Have you come to grips with that which plaques you on a continuous basis? Are you still clueless to this thing called life? Do you end up on a dead end street after you have read the instructions warning you not to go? Have your whys, your wheres, hows, whens and whats been answered and you are still baffled to the conclusion of the matter? Well, if your answer is yes to any of these questions, you may just be tampering with unstableness. This book was compiled from a life that was stuck in a place called unstable. I wrote this book with you in mind, realizing the biggest fight
