I Fell Down A Waterfall:

UNCOVERING CORRUPT SCIENCE PSJ (Peet) Schutte,2013-07-17 Modern science or what I call Newtonian science is altogether wrong Nothing can stand still in the Universe and remain a part of the Universe The Universe is the movement thereof Everything in the Universe has to move should it wish to be and everything in the Universe moves and in circles but everything moves There is no mass but only movement and movement is gravity and gravity is time forming space But how does this system work and how does this system form an entire Universe as big as the one we have Read this and see how the Universe is truly stitched together by nature and not by Newton s fantasy It works exactly as Kepler said it does in the tables Kepler left us to study Space by three forms a circle by two that moves straight by one and that forms the six sided Universe we enjoy as a reality *A NEW CONCEPT ABOUT THE UNIVERSE* PSJ (Peet) Schutte, **Demons Within Schizophrenia**

STARTING BEFORE ZERO* PSJ (Peet) Schutte,2013-07-12 I explain Genesis 1 v 1 the beginning or birth of the Universe in terms of the Bible using not theology but mathematics I prove Genesis 1 verse 1 to be correct by using mathematics The Bible says IN THE BEGINNING OF CREATION 1 when God made heaven and earth 2 the earth was without form and void 3 with darkness over the face of the abyss Yes this I do explain mathematically and I manage this because I prove and explain four cosmic keys that build the Universe namely The Titius Bode Law The Lagrangian Points The Roche limit and Coanda Effect Everything in nature in the Universe applies these phenomena in how space forms The Titius Bode Law The Lagrangian Points The Roche Coanda Effect forms the Universe in as much as forming stars in spheres and forming galactica in circles These principles form space and materials This is a process that produces space and that is how the Universe began before the Universe began in space I take the cosmic birth back to before space came about as the Big Bang *A Day of Hope* Kayla Jones,2024-03-10 Have you experienced the feeling of forgotten hope the sensation like you ve lost yourself It feels as if time is passing you by and you re unable to see yourself in the overwhelming swirl of this crazy life So many other things have taken your time and your zest for life kids family relationships and work You believe self care is only for others You ve forgotten how to have hope and passion for yourself In *A Day of Hope* author Kayla Jones shares her personal journey to find hope when there seemed to be a short supply She tells how she transformed from being overworked and overstressed to having more time and energy to do the things she loves even when she didn t know what that was Jones outlines a process a day of hope that helped her transform her life A day of hope is one day or a full twenty four hours for you A day to do whatever you want whenever you want and however you want On this one day you get to choose everything One full day to fuel up on what you want and need *A Day of Hope* teaches how one day per month can transform your life help you recover hope for a brighter future and empower you to regain control of who you really are inside **A Conspiracy in Science in Progress** Peet Schutte,2012-09-25 A CONSPIRACY in SCIENCE in PROGRESS You are going to read about how science applies a system of mind control and thought processing Every conspiracy that Science ever thought up such as the Critical Density Conspiracy or the Dark Energy Conspiracy or any

conspiracy connected to science is in place to protect this theory that those teaching science hides from anyone outside physics from becoming known The Mother Conspiracy is in place so that students in physics are brainwashed by instigating the deliberate sanctioning of mind control on students through their practising of enforcing thought control they unleash on students I prove that the Mother Conspiracy is in place I reveal the Mother Conspiracy and I show why it is in place I show how every student including you reading this has been brainwashed to believe science is true and to believe in science I prove the Universe is formed as singularity and contains only singularity in many forms thereof □□□3 shi
