Schools on Trial Nikhil Goyal, 2016-02-16 *Schools on Trial* is an all in attack on the American way of education and a hopeful blueprint for change by one of the most passionate and certainly youngest writers on this subject Are America s schools little more than cinder block gulags that spawn vicious cliques and bullying negate creativity and true learning and squelch curiosity in their inmates um students Nikhil Goyal a journalist and activist all of twenty years old whom The Washington Post has dubbed a future education secretary and Forbes has named to its 30 Under 30 list definitely thinks so In this book he both offers a scathing indictment of our teach to the test while killing the spirit educational assembly line and maps out a path for all of our schools to harness children s natural aptitude for learning by creating an atmosphere conducive to freedom and creativity He prescribes an inspiring educational future that is thoroughly democratic and experiential and one that utilizes the entire community as a classroom

Handbook of EOQ Inventory Problems Tsan-Ming Choi, 2013-08-17 The Economic Order Quantity EOQ inventory model first appeared in 1913 and in its centennial it is still one of the most important inventory models Despite the abundance of both classical and new research results there was until now no comprehensive reference source that provides the state of the art findings on both theoretical and applied research on the EOQ and its related models This edited handbook puts together all these interesting works and the respective insights into an edited volume The handbook contains papers which explore both the deterministic and the stochastic EOQ model based problems and applications It is organized into three parts Part I presents three papers that provide an introduction and review of various EOQ related models Part II includes four technical

analyses on single echelon EOQ model based inventory problems Part III consists of five papers on applications of the EOQ model for multi echelon supply chain inventory analysis
