More Than Friends Brad:

More Than Friends Tamela Hancock Murray, 2013-05-01 Since her husband's death on a job site Lexie thinks life will never be normal again. She's forced to leave her four-year-old daughter Piper with her parents while she settles into a new job in a different city. When he sees her once again old feelings of love return and his dreams of traveling and writing are only enhanced by adding Lexie to the picture. When Theo learns she has a daughter will that cause their relationship to end. Or with God's guidance can they be more than friends. *More Than Friends* B. J. James, 1984

More Than Friends M. E. Cooper, 1986 Chris student government president fears she's losing Ted star quarterback to her stepsister Brenda who has time to spend with Ted. *Wake Me Up Inside* Lee Bice-Matheson, 2012-07-10

Wake Me Up Inside is a ghost story centered around Paige Maddison a strong teen-age heroine. Paige is disturbed by nightmares of places she has never seen and visions of a girl haunting her dreams. She is angry because she must move with her parents to an estate called O'Brien Manor to help her estranged grandparents one of whom is in ill health. As luck would have it Paige meets Bradley Adam Parkman. Together they explore the estate and although they experience paranormal activity neither one wants to discuss it in case the other would find them crazy. Paige stumbles onto a forgotten cemetery and a piece of a stone tablet. She is instantly curious and obsessed with what it is. During this quest her grandfather's health fails and Paige bears the burden of solving a family secret which is tied to an evil spirit haunting the estate. Will Paige uncover the mystery of O'Brien Manor before it's too late. It's a page-turner and will leave you feeling haunted. Reviews for *Wake Me Up Inside* John Robert Colombo author anthologist and Canada's Master Gatherer had this to say: In Praise of *Wake Me Up Inside* It was an amazing feeling. So begins this lively short first novel written by Lee Bice Matheson then it transports the reader to the Manor where life is rather different both demanding and rewarding. The author deserves to be congratulated for she has found a style that moves along in a sprightly fashion. She spares the reader the descriptive passages found in most first novels in favour of rewarding the reader with reams of lively speech. The result is that young Paige is very much alive. She enters into relationships and she turns out to be something of an acrobat for she leaps off the page. Amazon reviewer declared: Move over James Patterson there's a new kid in town. 5 stars C Harkin Fitzhenry Whiteside said: This portion of a tale of the supernatural connects the world that teens will know and be familiar with to the terrifying concept of ghosts and the unexplained.
