## **English For Accounting And Cd:**

*English for Accounting*, 2020      *English for Accounting* TIM LC UMM, 2017-05-15 English for Accounting is written to fulfill students' needs to learn English as a preparatory for job communication. This book is designed to provide an opportunity to develop students' English skills more communicatively and meaningfully. It consists of twenty-eight units. Each unit presents reading, writing, and speaking sections. The reading section consists of pre-reading, reading comprehension, and vocabulary exercises related to the topic of the text. In the writing section, some structures and sentence patterns are completed with guided writing exercises. Meanwhile, in the speaking section, students are provided with models and examples followed by practical activities which are presented in various ways. In addition, students are also equipped with listening comprehension skill, which is presented in a separate textbook. The materials have been arranged and graded in accordance with their language levels. Above of all to improve the quality of this textbook, criticism and suggestions for better editions are highly appreciated.
