

## Marking Criteria for Question 1

### A CONTENT (EXTENDED TIER)

Use the following table to give a mark out of 15.

<b>Band 1:</b> <b>13–15</b>	The response reveals a <b>thorough</b> reading of the passage. A wide range of ideas is applied. There is sustained use of supporting detail, which is well integrated into the response, contributing to a strong sense of purpose and approach. Developed ideas are well related to the passage. All three bullets are well covered. A consistent and recognisable voice for Rosemarie is created.
<b>Band 2:</b> <b>10–12</b>	There is evidence of a <b>competent</b> reading of the passage. Some ideas are developed, but the ability to sustain content may not be consistent. There is frequent supporting detail. The response answers all three bullets, though perhaps not equally well. An appropriate voice is used.
<b>Band 3:</b> <b>7–9</b>	The passage has been read <b>reasonably well</b> , but the response may not reflect the range or complexity of ideas in the original. There may be some mechanical use of the passage. Supporting detail is used occasionally. Opportunities for development are rarely taken and ideas are simply expressed. There is uneven focus on the bullets. The voice is plain or lacks enthusiasm.
<b>Band 4:</b> <b>4–6</b>	Some brief, straightforward reference to the passage is made. There is some evidence of <b>general understanding</b> of the main ideas, although the response may be thin or in places lack focus on the passage or the question. One of the bullets may not be addressed. The voice is not sustained or appropriate.
<b>Band 5:</b> <b>1–3</b>	The response is either very general, with little reference to the passage, or a <b>reproduction</b> of sections of the original. Content is insubstantial, or there is little realisation of the need to modify material from the passage.
<b>Band 6:</b> <b>0</b>	There is little or no relevance to the question or to the passage.
