Enigma Di Un Assassino Italian Edition:

Murder Made in Italy Ellen Nerenberg, 2012-03-29 A study of three high profile Italian murder cases how they were covered by the media and what it all says about Italian culture Looking at media coverage of three very prominent murder cases *Murder Made in Italy* explores the cultural issues raised by the murders and how they reflect developments in Italian civil society over the past twenty years Providing detailed descriptions of each murder investigation and court case Ellen Nerenberg addresses the perception of lawlessness in Italy the country's geography of crime and the generalized fear for public safety among the Italian population Nerenberg examines the fictional and nonfictional representations of these crimes through the lenses of moral panic media spectacle true crime writing and the abject body The worldwide publicity given the recent case of Amanda Knox the American student tried for murder in a Perugia court once more drew attention to crime and punishment in Italy and is the subject of the epilogue A fantastic array of literary cinematic and oral narratives Stefania Lucamante Catholic University of America Original engaging and thought provoking quite unlike any other existing book in Italian cultural and media studies Ruth Glynn University of Bristol

Piero della Francesca James R. Banker, 2014-02-13 Largely neglected for the four centuries after his death the fifteenth century Italian artist Piero della Francesca is now seen to embody the fullest expression of the Renaissance perspective painter raising him to an artistic stature comparable with that of Leonardo da Vinci and Michelangelo But who was Piero and how did he become the person and artist that he was Until now in spite of the great interest in his work these questions have remained largely unanswered Piero della Francesca *Artist and Man* puts that situation right integrating the story of Piero's artistic and mathematical achievements with the full chronicle of his life for the first time Fortified by the discovery of over one hundred previously unknown documents most unearthed by the author himself James R Banker at last brings this fascinating Renaissance enigma to life The book presents us with Piero's friends family and collaborators all set against the social background of the various cities and courts in which he lived from the Tuscan commune of Sansepolcro in which he grew up to Renaissance Florence Ferrara Ancona Rimini Rome Arezzo and Urbino and eventually back to his home town for the final years of his life As Banker shows the cultural contexts in which Piero lived are crucial for understanding both the man and his paintings From early masterpieces such as the Baptism of Christ through to later Flemish influenced works such as the Nativity we gain a fascinating insight into how Piero's art developed over time alongside his growing achievements in geometry in the later decades of his life Along the way the book addresses some persistent myths about this apparently most elusive of artists As well as establishing a convincing case to clear up the long controversy over the year of Piero's birth there are also answers to some big questions about the date of some of his major works and a persuasive new interpretation of the much debated Flagellation of Christ This book is for all those who wish to know about the development of Piero as man artist and scholar rather than simply to see him through a series of isolated great works What emerges is a thoroughly intriguing Renaissance individual firmly embedded in

his social milieu but forging an historic identity through his profound artistic and mathematical achievements *Italian Giallo in Film and Television* Roberto Curti, 2022-06-02 Since the release in 1929 of a popular book series with bright yellow covers the Italian word giallo yellow has come to define a whole spectrum of mystery and detective fiction and films Although most English speakers associate the term giallo with the violent and erotic thrillers popular in the 1960s and 1970s from directors like Mario Bava Dario Argento Lucio Fulci and others the term encompasses a wide range of Italian media such as mysteries thrillers and detective stories even comedies and political pamphlets As films like *Blood and Black Lace* 1964 and *Deep Red* 1975 have received international acclaim giallo is a fluid and dynamic genre that has evolved throughout the decades This book examines the many facets of the giallo genre narrative style themes and influences It explores Italian films made for TV films and miniseries from the dawn of sound cinema to the present discussing their impact on society culture and mores

Italian Film John Stewart, 1994 An encyclopedic reference and filmography to the nearly 5 000 people involved in the Italian film making industry since 1896 Each entry provides a brief biography and an account of what films each person worked in and in what capacity An annotated title index includes a listing of both the Italian and English language title versions Annotation c

Italian Gothic Horror Films, 1970-1979 Roberto Curti, 2017-09-11 Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults only comics of the era resulting in a graphic approach to the genre Stories often featured over the top violence and nudity and pushed the limits of what could be shown on the screen The decade marked the return of specialist directors like Mario Bava Riccardo Freda and Antonio Margheriti and the emergence of new talents such as Pupi Avati *The House with the Laughing Windows* and Francesco Barilli *The Perfume of the Lady in Black* The author examines the Italian Gothic horror of the period providing previously unpublished details and production data taken from official papers original scripts and interviews with filmmakers scriptwriters and actors Entries include complete cast and crew lists plot summaries production history and analysis An appendix covers Italian made for TV films and mini series
