Jill the Jellyfish

Jill was not like all of the other jellyfish. Jill hated her tentacles. She hated that she hurt people and other animals. Jill did not want to sting anyone. But sometimes, when she swam by them, one of her tentacles would get near a human or animal and sting them. This made them so mad at Jill, but Jill couldn't help it! Jill decided that she would only play with other jellyfish for now. She knew she couldn't play near the humans until she learned to control her tentacles. Her sister promised to help her learn how to control them. She could not wait to learn. She loved playing in the waves near the humans, but she didn't love hurting people.
