*Worldwide Women Writers in Paris* Alison Rice, 2021-12-16 *Worldwide Women Writers in Paris* examines a new literary phenomenon consisting of an unprecedented number of women from around the world who have come to Paris and become authors of written works in French It takes as its starting point a series of filmed interviews conducted in the French capital a set of recorded conversations motivated by a desire to pay homage to these discrete voices and images at a moment characterized by impressive diversity Their individual paths to France and to French are noteworthy and these

authors of different generations and varying places of origin emphasize their singularity. However, the juxtaposition of their reflections reveals that many have faced similar difficulties when learning the French language, adapting to life in France, and many have encountered forms of prejudice in the publishing world related to their ethnicity or gender. These challenges have led them each in an idiosyncratic manner to tackle tough topics in their work and to respond to adversity by finding effective creative expressions. Taken together, the innovations and interventions in oral and written form of these authors collectively contribute to significant change in the specialized score that is the Parisian literary landscape.

**Global Girlfriends** Stacey Edgar, 2011-04-12. Start small, dream big: change lives how one woman harnessed the power of fair trade to help women in poverty help themselves. Seven years ago, Stacey Edgar had a 2,000 tax return and a deep desire to help provide economic security for women in need. She knew that of the 1.3 billion people living on less than 1 per day, seventy percent are women. What she didn't have was a business plan. Or a passport. But that didn't stop her from creating a socially conscious business that has helped poor women in five continents feed their families and send their children to school. Global Girlfriend has since grown into a multi-million dollar enterprise that specializes in handmade, fairly traded, ecoconscious apparel, accessories, and items made by women all over the world. Global Girlfriends is Stacey's inspiring story of following her convictions as well as her passionate argument for simple actions we can all take to eliminate extreme poverty. Stacey Edgar refused to be paralyzed by the size of world poverty; she started by taking several small steps: personal responsibility firmly in hand and never looking back.
