Fitness Rx Magazine For Women February 2015:

Make America Fit Again Shaun E. Edmonds, 2023-11-20 This book critically examines the CrossFit phenomenon and makes the argument that CrossFit uses the rhetoric and tactics found in modern forms of authoritarian populism to rally adherents around its brand CrossFit is a private branded fitness organization whose unorthodox methods and adversarial leadership has challenged dominant ideas around health and fitness worldwide In exploring CrossFit s articulations with healthism and the obesity epidemic the risk discourse of the prepper and survivalist movements and the increasing valorization of the military and military personnel Shaun E Edmonds makes legible the ideological underpinnings of the CrossFit practice After a deeper look at how CrossFit s variation of authoritarian populism has been used to counter critics and mobilize the community the book concludes by considering what might be next for CrossFit following former CEO and co founder Greg Glassman s controversial departure from the company *SRDS Consumer Magazine Advertising Source* ,2006

Evidence Contestation Karin Zachmann, Mariacarla Gadebusch Bondio, Saana Jukola, Olga Sparschuh, 2023-02-21 This book examines the practices of contesting evidence in democratically constituted knowledge societies It provides a multifaceted view of the processes and conditions of evidence criticism and how they determine the dynamics of de and re stabilization of evidence Evidence is an essential resource for establishing claims of validity resolving conflicts and legitimizing decisions In recent times however evidence is being contested with increasing frequency Such contestations vary in form and severity from questioning the interpretation of data or the methodological soundness of studies to accusations of evidence fabrication The contributors to this volume explore which actors for what reasons and to what effect question evidence in fields such as the biological environmental and health sciences In addition to actors inside academia they examine the roles of various other players including citizen scientists counter experts journalists patients consumers and activists The contributors tackle questions of how disagreements are framed and how they are used to promote vested interests By drawing on methodological and theoretical approaches from a wide range of fields this book provides a much needed perspective on how evidence criticism influences the development and state of knowledge societies and their political condition Evidence Contestation will appeal to scholars and advanced students working in philosophy of science epistemology bioethics science and technology studies the history of science and technology and science communication
