The Year Before the Flood Ned Sublette, 2009-09-01 With a style the Los Angeles Times calls as vivid and fast moving as the music he loves Ned Sublette's powerful new book drives the reader through the potholed sinking streets of the United States's least typical city In this eagerly awaited follow up to *The World That Made New Orleans* Sublette's award winning history of the Crescent City's colonial years he traces an arc of his own experience from the white supremacy of segregated 1950s Louisiana through the funky year of 2004-2005 the last year New Orleans was whole By turns irreverent joyous darkly comic passionate and polemical *The Year Before the Flood* juxtaposes the city's crowded calendar of parties festivals and parades with the murderousness of its poverty and its legacy of racism Along the way Sublette opens up windows of American history that illuminate the present the trajectory of Mardi Gras from pre Civil War days the falsification of Southern history in movies the city's importance to early rock and roll the complicated story of its housing projects the uniqueness of its hip hop scene and the celebratory magnificence of the participatory parades known as second lines With a grand unforgettable cast of musicians and barkeepers scholars and thugs vibrating with the sheer excitement of New Orleans *The Year Before the Flood* is an affirmation of the power of the city's culture and a heartbreaking tale of loss that definitively establishes Ned Sublette as a great American writer for the 21st century *The Poetics of Tenderness* Robert Cantwell, 2017-12-13 *The Poetics of Tenderness* a literary critical essay on love grounded in the developmental theory of the British psychoanalyst Donald Winnicott and shaped by recent work on the neurobiology and anthropology of love It maintains that sexual love is not merely an artifact or invention of culture but a vital manifestation of the culture making power itself Calling upon Andreus Capellanus Plato Schopenhauer Freud William James Hardy Dreiser and Fitzgerald D H Lawrence and Tom Stoppard among others the book's aim is to turn the discussion of sexuality around to substitute for ideas and figures of violence and predation which have dominated our sexual imaginary for more than four decades much older and more durable associations of sex and love with care affection beauty memory worthiness and ideality It argues for a resurrection of

tenderness and holds out the possibility that even where anything goes love may yet be a source of sweetness and light that mutual respect equity justice and decency in the spheres of sex and love will more likely flow from compassion and sympathy than from anger fear suspicion mistrust resentment and bitterness Close readings of two widely read novels Dickens *Great Expectations* and Nabokov's *Lolita* preside over the discussion exploring these authors distinctively detailed and probing accounts of love's unfolding in particular social cultural historical and psychological settings Both novels proceed from deep within the authors interior life both novels release love from its normally deep entanglements with intimacy and isolation compatibility and incompatibility social place and social possibility inspiring in their narrators a prolonged introspective inquiry into an all consuming preoccupation which ultimately restores them to the moral order

I Was Just Passing Through Cassandra, 2012-05-16 When I decided to write this autobiography a strange feeling overcame me wondering why I should reveal my innermost and carefully protected memories that had lain dormant for so many years and expose them now to the world However others kept encouraging me to share my saga of growing up during very difficult times in the world as well as personal circumstances of instability in which I often felt like I was walking about in a haze Jokes about blondes being dumb might have applied at times but do blondes really have more fun I leave that to you dear reader to decide This haze finally forced me to use an undeveloped creativity I never knew I had that led to

The Day's Journey Netta Syrett,2023-09-03 Excerpt Rose Summers paused a moment before she lifted the latch of a little gate set between two walls of yew It was June The sky had the blue of larkspur the air was sweet with the scent of flowers The gate in the yew hedge opened upon a small flagged court leading to a porch wreathed with roses Above the porch clematis and ivy continued the wall of living green almost to the gables of what had once been an Elizabethan farm house and was now the picturesque home of Robert Kingslake and of Cecily his wife To the left above a walled garden great chestnut trees reared their heads and flung shadows across the lane in which Mrs Summers was standing The stillness broken only by the sleepy clucking of fowls was of that peculiar peacefulness which broods over an English country side On the white dust 2 in the road the shadows lay asleep The trees themselves drowsed against the blue sky the very roses above the house porch laid their pink faces together and cradled in leaves dreamt in the sunshine
