Monday, June 22, 2015 – 1:15 to 2:15 p.m.

(early start – 12:15 p.m.)

(earliest release time – 2:15 p.m.)

General Information

During the rest of the examination period, students can communicate directly with up to eight proctors. After each student has received instructions from a proctor, students can leave the room to go to the bathroom. Students must return to the testing center before the second break.

After each student has filled in the bubble at the second break, begin the examination by following the directions for Part I as given below.

Directions for Part I

Return students to your test center and read the directions for Part I. After students have read and understood the directions, begin providing your ID using the FLACS card, according to the following:

There are four questions in Part I. Each question is based on a short passage, which will be read aloud to you by a test proctor. Before each passage, you will hear four suggested questions in English only. Then you will hear the passage in Spanish only. After you have heard the passage for the competition, you will hear the questions in English only. The questions will be posed to you at the break. After you have heard the questions, you will hear without delay, exactly before hearing the next question. During that time, read the questions and the four suggested answers in your test booklet. Choose the four suggested answer on the basis of the information provided in the passage and write in pencil in the space provided the four correct answer. Immediately read the questions and the suggested answers while listening to the passage. When you finish providing all four answers to each question, the proctor will begin.
