PARENT EXPECTATION LETTER

Dear Parents:

Welcome to Tigard Youth Football!

As a parent of a player with Tigard Youth Football (TYF), you will be expected to **pay your registration fees by August 1st and pick up and return player equipment on scheduled dates.**

Our volunteer expectations of parents are as follows:

1. Parents are expected to help with snacks on designated dates assigned by team parent. If your assigned time does not work for you, it is your responsibility to trade with someone on your team.
2. Parents will be asked to work at least one 2 hour shift in the concession stand during the season. If you are unable to work your scheduled time, it is your responsibility to trade or find a replacement.
3. In addition to your 2 hour concession stand shift, you may be asked to volunteer at least an additional 2 hours of volunteer time for your team. (i.e. weigh master, chain gang, play plotter, safety reporter or at jamboree event.)

The TYF board, coaches and team parents are all volunteers trying to make this a great program. So try and be patient when issues may arise.

I have read and understand the above Parent Expectation Letter.

,1990 The Sentinel ,1918 **DON'T ASK, "WHY?" DON'T ASK, "WHY ME?" ASK, "WHAT NOW?"** George Schimming, Mike Schimming MD, 2024-11-13 George Schimming's story of God incidences in his life is a reminder of God's loving care available to each of us always. As he shares one God incidence after another you will perhaps be reminded of incidents in your own life when you were tested beyond your limits. Whether it is related to near death experiences or something more mundane you will be challenged to examine your own heart and soul. He explains that in his case when he faced the worst day of his life he was not permitted to ask Why or Why me but only What Now. He recognized from his past experiences that God was in control in spite of the loss of his son and the paralysis of his wife due to a car going 110MPH slamming into the back of their car when they were on their way to church. Read about the aftermath of this crash to see how God began to orchestrate miracle after miracle to show his love and care. See how the Body of Christ responded in so many ways to help solve one problem after another and learn how the author sought to bring glory to God no matter what. Discover the power of prevailing prayer rising to heaven on a daily basis and how faith played a key role in seeing God respond in so many ways. Glorify him with the author in your own circumstances. *Where No Flag Flies* Mark Royden Winchell, 2000

George Allen Michael Richman, 2023-11 George Allen was a fascinating and eccentric figure in the world of football coaching. His remarkable career spanned six decades from the late 1940s until his sudden death in 1990 at the age of seventy three. Although he never won a Super Bowl he never had a losing season as an NFL head coach and was inducted into the Pro Football Hall of Fame in 2002. In *George Allen: A Football Life* Mike Richman captures the life and accomplishments of one of the most successful NFL coaches of all time and one of the greatest innovators in the game. A player's coach Allen was a tremendous motivator and game strategist as well as a defensive mastermind and is credited with making special teams a critical focus in an era in which they were an afterthought. He had a keen eye for talent and pulled off masterful trades often for veteran players who were viewed to be past their prime who then had great seasons and made his teams much better. In addition to his coaching feats Allen had an idiosyncratic and controversial personality. His life revolved around football 24/7. One of his quirks was to minimize chewing time by consuming soft foods giving himself more time to prepare for games and study opponents. He lived and breathed football he compared losing to death. Allen had contentious relationships with the owners of the two NFL teams for which he was the head coach the Washington Redskins and Los Angeles Rams. Richman explores why he was fired by those teams and whether he was blackballed from coaching again in the NFL. Based on detailed research and interviews with family, former players and coaches George Allen is the definitive biography of the football coach who lived to win, loved a good challenge and left a lasting legacy on pro football history. **The League of Wives** Heath Hardage Lee, 2019-04-02 With astonishing verve *The League of Wives* persisted to speak truth to power to bring their POW/MIA husbands home from Vietnam. And with astonishing verve Heath Hardage Lee has chronicled their little known story a profile of courage that spotlights 1960s era military wives who forge secret codes with bravery chutzpah and style. Honestly I

Football and Discrimination Pavel Brunssen, Stefanie Schüler-Springorum, 2021-05-18 This book takes a close look at discrimination in football in order to illuminate our understanding of the interaction between sport and wider society politics and culture particularly in terms of the re production of identity It presents insightful and diverse international case studies including the shadow of fascism in Italian football fan activism against racism sexism and homophobia in US soccer migrant football clubs in Germany and the use of football club history in the teaching of antisemitism Together they demonstrate the damaging societal consequences of unchecked resentment and discrimination in football fan cultures but also the potential for fan activism as a socio positive force This is fascinating reading for anybody with an interest in football or fandom the sociology of sport cultural studies or political science
