Women s Men s and Family Studies Professor psychoanalyst and night radio talk show personality Anna Falco s dad always told her that the lower our self esteem the more we want to be someone different from ourselves and the more we want someone different from ourselves He made a point that the higher our self esteem the more we want someone like ourselves Anna Falco added something more to that her belief that couples with self respect will respect each other Not one of Anna s clients came from families where the husband and wife or child and parent respected one another That could be one huge reason why family wars grew into world wars Now family wars had become full blown race wars in the streets of Los Angeles Skip an octave and old hatreds of differences fanned flames between the haves and have nots She offered to trade the wisdom of age for the energy of youth But it all boiled down to honor between family members Anna explained the difference between self esteem and self respect Being an older woman reminded Wrenboy the troubled court appointed street teen that she had adopted of a mother hen capable of caging his freedom Her lined face reminded him of his own mortality at a time when he felt invincible and desperately lonely for a loving family Would he fear her strident voice hammering him back into childhood Or would he accept her globetrotting to repair the world with kindness In his search for power and autonomy he concluded it is easier to rebel
