Getting The Most For Your Healthcare Costs English Edition

Tom Emerick, Al Lewis

Getting The Most For Your Healthcare Costs English Edition:

Cracking Health Costs Tom Emerick, Al Lewis, 2013-06-07 *Cracking Health Costs* reveals the best ways for companies and small businesses to fight back right now against rising health care costs. This book proposes multiple practical steps that you can take to control costs and increase the effectiveness of the health benefit. The book is all about rolling back health care costs to save companies and employees money. Working hand in hand with their employees, businesses need to ensure that whenever feasible, employees with the most expensive diagnoses get optimal treatment at hospitals not practicing volume-driven medicine for higher profits. Less than 10% of employees incur 80% of costs. About 20% of patients have been completely misdiagnosed while many others are simply the victims of surgeons who are either practicing bad medicine or overtreating for profit. For example, some companies such as Walmart and Lowes are turning to the Centers of Excellence approach. Author Tom Emerick helped to pioneer while running benefits for Walmart. By determining which hospitals are adopting the highest standards of care, benefits managers can reduce the number of unnecessary high-cost surgeries and improve employees' overall health. The solution-based approach offered by the book is unique because it can be implemented by businesses today. [Saving Your Health: An Expert Guide to Healthcare Cost Management](#) Olyth Vornith, 2025-02-25

From understanding the benefits of health savings accounts (HSAs) to maximizing the advantages of flexible spending accounts (FSAs), this comprehensive guide provides practical insights and expert advice to help individuals and families navigate the financial aspects of healthcare. With rising healthcare costs impacting individuals and employers alike, it is more important than ever to be proactive in managing healthcare expenses. This book explores the key differences between HSAs and FSAs, offering clear explanations and examples to help readers make informed decisions about their healthcare savings options. Whether you are an experienced healthcare consumer or new to the world of health benefits, this book will equip you with the knowledge and tools needed to take control of your healthcare spending. In addition to exploring traditional savings options, *Saving Your Health* also delves into alternative strategies for managing healthcare costs, such as negotiating medical bills and utilizing telemedicine services. The book emphasizes the importance of being an informed and proactive healthcare consumer, empowering readers to advocate for their own well-being and financial security. By implementing the strategies outlined in this book, readers will be better equipped to navigate the complexities of the healthcare system, reduce out-of-pocket expenses, and make the most of their healthcare savings vehicles. **Congressional Record** United States.
