Girl At War English Edition:

Girl at War Sara Novic, 2015-05-12 For readers of *The Tiger's Wife* and *All the Light We Cannot See* comes a powerful debut novel about a girl's coming of age and how her sense of family, friendship, love, and belonging is profoundly shaped by war. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE BOOKLIST AND ELECTRIC LITERATURE ALEX AWARD WINNER LOS ANGELES TIMES BOOK PRIZE FINALIST LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION Zagreb 1991 Ana Juri is a carefree ten-year-old living with her family in a small apartment in Croatia's capital. But that year civil war breaks out across Yugoslavia, splintering Ana's idyllic childhood. Daily life is altered by food rations and air raid drills and soccer matches are replaced by sniper fire. Neighbors grow suspicious of one another and Ana's sense of safety starts to fray. When the war arrives at her doorstep, Ana must find her way in a dangerous world. New York 2001 Ana is now a college student in Manhattan. Though she's tried to move on from her past, she can't escape her memories of war secrets she keeps even from those closest to her. Haunted by the events that forever changed her family, Ana returns to Croatia after a decade away, hoping to make peace with the place she once called home. As she faces her ghosts, she must come to terms with her country's difficult history and the events that interrupted her childhood years before. Moving back and forth through time, *Girl at War* is an honest, generous, brilliantly written novel that illuminates how history shapes the individual. Sara Novi fearlessly shows the impact of war on one young girl and its legacy on all of us. It's a debut by a writer who has stared into recent history to find a story that continues to resonate today. Praise for *Girl at War*: Outstanding *Girl at War* performs the miracle of making the stories of broken lives in a distant country feel as large and universal as myth. The New York Times Book Review Editor's Choice. An old-fashioned page-turner that will demand all of the reader's attention. Happily given. A debut novel that astonishes. Vanity Fair Shattering. The book begins with what deserves to become one of contemporary literature's more memorable opening lines. The sentences that follow are equally as lyrical as a folk lament and as taut as metal wire wrapped through an electrified fence. USA Today *Women and War (English Edition)*, 2025-07-15 How would you communicate the realities of living in a warzone to someone who has never had this experience? Thirty Ukrainian women, ages 10 to 72, answered this question in letters that emanate power, depth, pain, strength, and resilience. These fragments of life reveal the horrors of conflict but also the humanity of survivors. **Italian Literature since 1900 in English Translation 1929-2016** Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's *Italian Literature before 1900 in English Translation*, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools.

The 1810 Grimm Manuscripts: The First Complete English Translation of the 1810 Handwritten Manuscripts The Beginnings of the Kinder- und Hausmärchen Children's and Household Tales Oliver Loo, 2015-08-14 Before the Brothers Grimm published their now world famous Children's and Household Tales in 1812 they had sent their manuscript containing approximately 51 tales to their friend Clemens Brentano who also wanted to publish children's tales. The brothers asked him to return their manuscript when he was finished with it but he never did. While they went on to publish their tales their own copies of the original manuscripts for the first volume of the tales do not exist anymore. By accident or fortunate circumstance the manuscript they sent to Brentano survived and can be read today. The 1810 Grimm Manuscripts is the first English language translation of the Grimms Kinder und Hausmärchen as they were in the Fall of 1810. It is the first written documentation of the tales as the brothers heard and saw them. It shows the very first written documentation of the Grimms versions of Snow White, Sleeping Beauty, The Frog King and many other tales.

The War of Chupas (English Edition) Pedro de Cieza de Leon, Pedro de Cieza de Leon was on the whole the most important historian and is now the best authority on ancient Peru so far as his work has reached us for he was a great traveller and an eye witness of much that he described. For all the events at which he was not present he received evidence from many actors in them. He was an intelligent observer, humane and conscientious, striving after impartiality and though an enthusiastic admirer of the valour and endurance of his countrymen he was horrified at their acts of cruelty which he denounces in no measured terms. Unfortunately only one part of his great work was published near the time other parts long lost have been found and published in recent years and some yet remain to be discovered. I the first part published in 1553 was the Cronica which is mainly geographical. II the second part was the History and Religion of the Incas. III the Conquest of Peru. IV V VI and VII the Civil Wars viz 1 War of Las Salinas 2 War of Chupas 3 War of Quito and 4 War of Huarina and Sacsahuana. III and VII are still lost to us. Cieza de Leon also wrote a book entitled Libro de Fundaciones to which he frequently refers the reader for fuller details respecting habits and customs of Indian tribes and other particulars. That work is also lost. The Council of the Hakluyt Society selected the first part of the Cronica of Cieza de Leon to form a volume of its series in 1864 and the translation and editing were entrusted to me. It is a valuable contribution to the geography of the Cauca valley in Colombia and of Peru while the author's account of the coast almost amounts to a book of sailing directions. In 1880 II the history of the Incas was brought to light and texts were printed by the late Dr Gonzales Rosa in 1873 and also by Jimenez de la Espada in 1880. This exceedingly valuable account of Inca civilization was known to Mr Prescott and he frequently quotes from it but he was not aware of Cieza de Leon being the author. This part was chosen by the Council to be included in the Hakluyt Society's series in 1883 and I again undertook the work of translation and editing. Quite recently three of the volumes on the Civil Wars of Peru by Cieza de Leon have been discovered in manuscript and published at Madrid. The War of Quito covering the period from the arrival of the Viceroy Blasco Nunez Vela to his death at Anaquito was translated

and edited by me forming one of the Hakluyt Society's volumes for 1912 I have also translated and edited the War of Las Salinas giving a detailed account of the dispute between Pizarro and Almagro which ended with the battle of Las Salinas and the execution of Almagro by Hernando Pizarro The present volume by Cieza de Leon is entitled The War of Chupas and contains a detailed narrative of events from the battle of Las Salinas to the final overthrow of the Almagro faction at the battle of Chupas including the murder of Pizarro the arrival of Vaca de Castro as governor the campaign against Almagro the younger the promulgation of the New Laws and the appointment of Blasco N ez Vela as viceroy to enforce them To be continue in this ebook
