

She went straight for the biggest bowl but as she began to gobble it down she suddenly spat it out!
"This porridge is too hot!" she yelled.
So she went to try the porridge in the medium bowl but spat that porridge out too.
"This porridge is too cold!" she grumbled.
She carefully tasted the porridge in the third, small bowl.
"This porridge is just right!" she said happily.

Once upon a time there was a little girl called Goldilocks. She had lovely, golden hair. She was walking through the woods one day when she came across a little cottage. She knocked on the door but nobody answered. Even though nobody answered, she reached out, turned the door handle and walked inside. She didn't know it but this house belonged to three bears.

Finally, they walked up the stairs and into the bedroom.
"Someone has been sleeping in my bed!" yelled Daddy bear.
"Someone has been sleeping in my bed!" yelled Mummy bear.
"Someone has been sleeping in my bed and she is still there!" yelled Baby bear.

As she walked into the kitchen she saw a large, medium and small bowl on the worktop. After all of the walking in the woods, Goldilocks was very hungry. Inside the bowls she could see and smell some delicious porridge.

Part III addresses specific topics of interest to clinicians and students looking for practical ideas on how to address the multifaceted challenges of children with CAS, such as vowels, prosody, expressive language, social language, and incorporating phonological awareness in CAS treatment.
