The Ultimate Pet Food Guide Liz Palika, 2008-04-01 A comprehensive authoritative guide to everything you need to know about feeding your pet including homemade commercial and raw food diets *Homemade Healthy Food and Treats for Dogs* Corinna Forbes, 2021-07-26 The health and well being of my dogs is what inspired me to create this cookbook I wanted my dogs to have the proper nutrition in their food and treats Also another reason I created this book is because at the time several dog food brands were being recalled and I was worried my dogs health was at risk if they were ingesting harmful ingredients In my research I found that dogs could actually eat a lot of the same foods people can eat So it seemed the next step would be to create recipes with a variety of ingredients for my dogs that they would enjoy My first step was to research approved ingredients for dogs Then as research expanded on other food types more variety of flavors seemed possible I was surprised at all the fruits and vegetables dogs can have My dogs and my friends and coworkers dogs were my taste testers So far no complaints For the most part the ingredients are inexpensive and if you grow them yourself it s even easier on the wallet The protein could be the ingredient that costs the most My dogs are so happy at lunchtime they cannot stand still while we are dishing out their food Our Bernese mountain dog jumps up to put her paws on the counter and drools while barking and my little one dances around on the floor In my research I found that homemade food could extend a dog s life by two years This book took approximately a year plus in the making and I hope that other people and dogs enjoy the recipes as much I enjoyed creating them The Publishers Weekly ,1915 Natural Health Bible for Dogs & Cats Shawn Messonnier, D.V.M., 2010-07-07 2000 Winner Better Health for Life Award Cat Writer s Association CWA When it comes to your dog s or your cat s health you want the best health care available But did you know that conventional medicine is not the only answer or even the best answer Inside you ll learn from a respected veterinarian how the therapeutic wonders of natural medicine can benefit your dog or cat This comprehensive guide discusses more than 40 common conditions or diseases that can affect your pet and how they can be treated or improved with natural medicine Easy to understand and use with cross references between conditions and treatments this informative resource includes An A Z guide to common health conditions An A Z guide to herbs vitamins and supplements Dietary recommendations for specific health concerns Proven complementary therapies for your pet And much much more Do your pet a great favor add this complete reference to your library You ll both be glad you did Inside natural treatments for Allergies Obesity Cancer Kidney Disease Arthritis Heart Disease Feline Leukemia Dental Disease Ear Infections And many more common conditions Praise for Natural Health Bible for Dogs Cats Incredibly well thought out and organized This bible will serve as an excellent reference for veterinarians and pet owners alike L Phillips Brown D V M product manager Inter Cal Nutraceuticals A concise overview of common animal conditions and available complementary therapies that will help readers ensure their pets and patients receive the best treatment Myrna Milani D V M author Preparing for the Loss of Your Pet This bible is a new testament that may help pet caregivers heal their
