Good Morning Vietnam Weather Report:

Laura's List Michael McCord, 2017-12-15 Laura had it all She worked her way through college while raising a family earned her registered nursing credentials advanced through the ranks of hospital administration moved to the town people lined up to vacation in and fell in love That was this morning Now she s alone on the floor each seizure is worse than the one before and her right hand and eye are twitching so hard she can t dial the phone to call for help It reads like a novel but unfortunately for Laura it s true Laura s List speaks through Laura her friends and family as it flashes through memories of the good times that led Laura to Bend Oregon before seizures dumped her on the floor and then it follows the challenges presented when breast cancer returns with a vengeance in the form of a deadly brain tumor You ll get to know Laura s friends parents sisters children and grandchildren as they remember the good times with Laura enjoy the humor of day to day events and face the future without her Laura s List explores making the most of every day especially when those days are numbered It will make you laugh and cry and never ever take another day for granted Winner of the 2018 Indie Book Human Relations Awards Gold Award in Medical Issues Silver Award in Family Challenges Bronze Award in Health Memoir Honorable Mention in Life s Challenges A Wolf in the Kitchen J. T. Bryde, 2023-12-08 A Wolf in the Kitchen is the prequel to Jim s first book SLED DOG GUN AVIEMORE DREAMING In 1987 Jim and Cherry bought their very first Siberian Husky Hustler On showing him to people for the first time they were asked the inevitable question Is that a baby wolf A year later in the Summer of 1988 a small advert in a local paper changed their lives forever They discovered the sport of dog sledding Over the next 15 years more dogs were bought until they had eleven What follows is the story of these years and is both highly amusing and often downright funny After much perseverance and some frustration Jim transforms these dogs into one of the fastest teams in Great Britain With it came recognition that he never imagined and he and his team found fame on national radio and TV and played a part in a major movie film A lovely easy read that is suitable for all ages *Film* *Quotations* Robert A. Central Intelligence Agency, 1966 My Detachment Tracy Kidder, 2005-09-06 My Detachment is a war story like none you have ever read before an unromanticized portrait of a young man coming of age in the controversial war that defined a generation In an astonishingly honest comic and moving account of his tour of duty in Vietnam master storyteller Tracy

Kidder writes for the first time about himself This extraordinary memoir is destined to become a classic Kidder was an ROTC intelligence officer just months out of college and expecting a stateside assignment when his orders arrived for Vietnam There lovesick anxious and melancholic he tried to assume command of his detachment a ragtag band of eight more or less ungovernable men charged with reporting on enemy radio locations He eventually learned not only to lead them but to laugh and drink with them as they shared the boredom pointlessness and fear of war Together they sought a ghostly enemy homing in on radio transmissions and funneling intelligence gathered by others Kidder realized that he would spend his time in Vietnam listening in on battle but never actually experiencing it With remarkable clarity and with great detachment Kidder looks back at himself from across three and a half decades confessing how as a young lieutenant he sought to borrow from the tragedy around him and to imagine himself a romantic hero Unrelentingly honest rueful and revealing My Detachment gives us war without heroism while preserving those rare moments of redeeming grace in the midst of lunacy and danger The officers and men of My Detachment are not the sort of people who appear in war movies they are the ones who appear only in war and they are unforgettable Boychik Lit Gerald Everett Jones, 2018-09-18 From the acclaimed author of 2020 Independent Press Awards Distinguished Favorites Clifford s Spiral and Preacher Finds a Corpse This short book has six stories and one essay The essay Boychik Lit is the think piece offering Gerald Everett Jones s thoughts on the genre which he named Chemistry expands on the self evident premise that you can t tell teenagers anything The narrator of Not Quite After Lisette is a forty something high tech executive whose wife is divorcing him Johnny Halo and Rock the Tyro Shock Jock is the first of three episodes from the Rollo Hemphill series of comic novels In this installment he falls upward into a job as a shock jock deejay In the Valley of the Happy People is from the second book Rubber Babes and Spin Cycle is a chapter from the third book Farnsworth s Revenge Rollo s End In the Gallery of American Art is actually a story about a woman who wakes up on her birthday thinking her life is perfect And of course it s not It is excerpted from his novel Bonfire of the Vanderbilts

Johnson,2006-06-30 Helicopter pilots in Vietnam kidded one another about being nothing but glorified bus drivers But these rotor heads saved thousands of American lives while performing what the Army classified as the most dangerous job it had to offer One in eighteen did not return home Tom A Johnson flew the UH 1 Iroquois better known as the Huey in the 229th Assault Helicopter Battalion of the First Air Cavalry Division From June 1967 through June 1968 he accumulated an astonishing 1 600 flying hours 1 150 combat and 450 noncombat His battalion was one of the most highly decorated units in the Vietnam War and as part of the famous First Air Cavalry Division helped redefine modern warfare With tremendous flying skill Johnson survived rescue missions and key battles that included those for Hue and Khe Sanh and operations in the A Shau and Song Re valleys while many of his comrades did not His heartfelt and riveting memoir will strike a chord with any soldier who ever flew in the ubiquitous Huey and any reader with an interest in how the Vietnam War was really fought [Images in Words](#) William Mallinson,2018-10-01 This book of William Mallinson s poetry and prose and a small amount of writings by some family members is a vehicle to demonstrate that only history in its purest form the past exists Bowing to Oscar Wilde s dictum that most people are other people even if they do not know it its comments on each poem article or story lead to the book s conclusion that the present cannot exist since it becomes the past as it happens while the future is only in the mind Many of the poems and stories were written on impulse inspired by various events but also subliminally by writers and poets such as Henry Williamson Ted Hughes and George Orwell The book briefly evaluates the circumstances that led to each poem and story Refreshingly it avoids textual analysis and categorisation believing that poetry does not lend itself to analysis since it is essentially personal and thus connected to the heart which whatever the opinions of certain psychologists can never be encapsulated in their neatly packaged models even if they use the word psyche instead of heart The same applies to some of the prose pieces Whether we are reading the author s Trout Dolphin Frog Horse Octopus or The Au pair the reader will be able to escape from the stiflingly overworked and stilted post modernist literature

that has assailed our natural sensitivities to the point of killing them Above all the book is a foray into free writing and will take the reader back to childhood through the imagery evoked and strip off the layers of self deception and falsehoods that have accumulated like dust and mud
