Unmasking the Sexual Offender Veronique N. Valliere,2022-12-30 This book unmasks the sexual offender by providing clear comprehensible information about the motivations techniques and dynamics of sexual offenders and their behavior It not only explores the biases and myths that the reader may rely upon to understand deviance but also explains pathways to offending the distorted thinking and relating that offenders engage in and the ways offenders manipulate and exploit others Sexual offenders are surrounded by mythology fascination and revulsion People who commit sexual offenses present difficult and complicated issues interpersonally as well as in treatment and management denial victim blaming aggression and blatant chronic deception are inherent in interactions with them Unfortunately the failure to truly understand their motives and techniques helps provide excuses for and further camouflage of their deviance The first part of the text explores the presumptions commonly adopted about sexual offenders and shows how misinformation supports the inappropriate behavior of the sexual offender The second section focuses on exposing the sexual offender using straightforward language and tangible examples A final third section includes safety and management strategies for dealing with sex offenders for those both inside and outside the realms of law enforcement and offender supervision This book is intended for anyone interested in learning about sexual offenders It is useful for both professionals and non professionals including students paralegals victim advocates and others involved in the criminal justice system or mental health field [Take Care of Yourself!](#) Shohreh Afshar,2020-12-22 When Helen a kindergarten teacher entered her class with a huge bag instead of her usual books children right away realized that something different and important was going to take place that day Parents and educators usually find it difficult to initiate a discussion about sensitive subjects such as private parts This story through engaging and provoking children s curiosity provides definitions and clarification on some of the related concepts such as good touches and bad touches good secrets and bad secrets and how to tell the difference The story also educates children to be aware of their feelings and trust them This is especially important as the analytical mind is not yet developed in those tender ages and a child has to primarily rely on his or her feelings to assess a situation and act accordingly The book also educates children what to do when facing an uncomfortable situation Well done The book is almost like a demonstration of teaching the elementary grades lessons in the Childhelp Speak Up Be Safe curriculum Zuzana Urbanek Program Manager Childhelp Speak Up Be Safe An accessible picture book perfect for parents and educators wishing to develop a child s understanding of the body how it works and how to protect it The Wishing Shelf Book Awards **The Mother's Manual** Audrye S. Arbe,2019-08-05 Who am I and where do I come to write this book I feel it necessary to address all aspects of motherhood so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book Some challenging life

situations occur that are vital for us to consider so I am including some disquieting statistics Because many women and men have refrained from checking within themselves or making an examination on emotional mental physical and spiritual planes about having children hardships have been created both personally and planetary The Muse's Visitors Suvarna Pilli,2022-06-11 The Muse s Visitors an anthology compiled by Suvarna Pilli It contains beautiful pieces of 31 amazing writers across the world who penned down their feelings This book consists of a mixed genre of short stories poems and articles based on variety of themes In compiling this new candidate for favour the one aim has been to pack between its covers the greatest possible amount of practical information of real value to all especially to the inexperienced In this book you can find both our experiences and how they changed us You ll find stories and momentos that we hope will touch your heart

Imagination Now M. E. Littlejohn,2020-05-13 The world is increasingly polarized along religious ethnic race gender class and ideological lines But must such diversity necessarily breed suspicion fear or violence Richard Kearney invites us to consider another path He wagers that the cause of our divisions often lies not in difference but in a lack of creative imagination Ever in a spirit of dialogue he shows how poetics and narrative imagination can break the hold of hostility and open new possibilities of reconciliation accomplishing what moral arguments alone cannot Now more than ever there is an urgent need for Kearney s work which addresses our current moment of crisis and division providing pathways of creative response and healing This book follows Kearney s journey through the fields of philosophy of the imagination hermeneutics philosophy of religion ethics psychology practical philosophy and politics The selection of writings in this volume offers to the specialist and the general reader a concise well rounded entry into one of the most prolific and wide ranging thinkers in contemporary philosophy **Friends of the Earth class 4** D Suseela, Friends of the Earth is a carefully graded
