being a husband speaking from his passion for God's Word the testimony of a miraculously restored marriage and his Latino upbringing Building on his own experiences he explores the vital skills of leading your wife while also attending to and caring for her He establishes the ways in which God sees leaders and husbands as shepherds and then brings Psalm 23 to life in a new way unpacking twelve vignettes within this passage each one rich in the poetry of God as our Shepherd In this way he challenges all husbands to become good shepherds in their marriages Learn how Christ the Great Shepherd loves His bride the church and in turn shows us how to love our wives just as He does in this revealing study of Psalm 23 *Good Husband, Great Marriage* Robert Mark Alter, 2007-01-01 For men and the women who love them this is a highly controversial book on how to get and be a good husband This book will appeal to the countless women who resent that their husbands never listen and that they have to nag in order to get them to do anything around the house who feel like their husbands are always pawing at them to have sex and who want more from their marriage It will appeal to men who want to have more sex less nagging and wives who adore them In short Good Husband Great Marriage is the book for everyone Good Husband Great Marriage is a hard hitting no nonsense guidebook for men and women to help them fix their marriages Robert Alter's central controversial argument the man is primarily responsible for the marital problems Alter says to women You are right to want what you want from him He says to men Stop thinking it's your wife's fault and transform yourself into the good husband you know you have in you In 50 chapters Alter describes the problem areas men face and what actions they can take to fix them The chapters include How to Know When You're Being a Man as Opposed to When You're Being an Asshole How to Talk to Her and Your Anger Cut the Shit Alter's approach is straightforward and logical he speaks to men in a language they understand In addition sections of the book will be geared for women where Alter will give advice to women on what they can do *The Good Wife's Guide (Le Ménagier de Paris)* , 2012-08-22 In the closing years of the fourteenth century an anonymous French writer compiled a book addressed to a fifteen year old bride narrated in the voice of her husband a wealthy aging Parisian The book was designed to teach this young wife the moral attributes duties and conduct befitting a woman of her station in society in the almost certain event of her widowhood and subsequent remarriage The work also provides a rich assembly of practical materials for the wife's use and for her household including treatises on gardening and shopping tips on choosing servants directions on the medical care of horses and the training of hawks plus menus for elaborate feasts and more than 380 recipes The Good Wife's Guide is the first complete modern English translation of this important medieval text also known as Le Ménagier de Paris the Parisian household book a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages The Good Wife's Guide expertly rendered into modern English by Gina L Greco and Christine M Rose is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual This edition presents the book in its entirety as it must have existed for its earliest readers The Guide is now a treasure for the classroom appealing to anyone studying medieval

literature or history or considering the complex lives of medieval women It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts The work illustrates how a perhaps fictional Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation The Good Husband's Guide to Balancing Hobbies and Marriage Steve Chapman,2005 Avid hunter Steve Chapman A Look at Life from a Deer Stand 200 000 copies sold enthusiastically pursues a lifelong hobby while remaining passionate about his wife and home Knowing the perils of spending too much time in the woods he prayed studied God s Word and sought advice The result Nine life changing principles to balancing hobbies and marriage including investing equal finances in his spouse s interests spending more time with his wife than with his hobby communicating desire to be with his family sharing the child rearing load making sure hobby doesn t cause a mess Whether their passion is hunting golf or team sports this guide will help men participate in hobbies and keep their families happy
