Goodnight iPad Ann Droyd, 2011-10-27 A parody of the children's classic and a hilarious gift for anyone that finds modern life funny and absurd In a bright buzzing room in the glow of the moon and iPhones and Androids and Blackberries too it is time to say goodnight Modern life is abuzz There are huge LCD WiFi HD TVs and Facebook requests and thumbs tapping texts and new viral clips of cats doing flips Wouldn't it be nice to say goodnight to all that Like the rest of us who cannot resist just a few more scrolls and clicks you may find yourself ready for bed while still clinging to your electronics long after dark This book which is made of paper is a reminder for the child in all of us to power down at the end of the day This hilarious parody not only pokes loving fun at the bygone quiet of the original classic but also at our modern plugged in lives It will make you laugh and it will also help you put yourself and your machines to sleep Don't worry though Your gadgets will be waiting for you fully charged in the morning

No Kids Allowed Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore This original study explores the varied forms and roles of children's literature when it's written for adults What do Adam Mansbach's *Go the F k to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common These large format picture books are decidedly intended for parents rather than children In *No Kids Allowed* Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children's literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children's literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive
