Reconsideration request for <http://www.> [.com/](http://www.): Manual spam action revoked

Dear Webmaster of <http://www.> [.com/](http://www.),

We have processed the reconsideration request from a site owner for <http://www.> [.com/](http://www.) and removed the actions previously applied to your site. Our review of your site indicates the violations of our [quality guidelines](#) have been resolved.

You can use the [Manual Actions](#) page in Webmaster Tools to view the actions currently applied to your site. It may take some time before recent updates to your site's status are reflected on this page and in our search results.

While there are no manual actions on your site, there may be other issues that could affect your site's ranking or how it appears in the search results. Google determines the order of search results using more than 200 different signals. Some fluctuation in ranking will happen from time to time as we make updates to present the best results to our users. Your site's ranking could also change based on any detected security issues. We suggest checking the [Security Issues](#) page to see if we have detected hacking on your site.

If your site continues to have trouble in our search results, please see [our Help Center](#) for help with diagnosing the issue.

Thank you for helping us to maintain the quality of search results for our users.

Sincerely,

The Google Search Quality Team
