great panic about sex trafficking an idea whose meaning has been expanded beyond any real usefulness by evangelicals conspiracy theorists anti prostitution feminists and politicians with their own agendas This is especially visible during events like the FIFA World Cup and the Olympic Games when claims circulate that as many as 40 000 women and girls will be sex trafficked Drawing on extensive fieldwork in Brazil as well as interviews with sex workers policymakers missionaries and

activists in Russia Qatar Japan the UK and South Africa Gregory Mitchell shows that despite baseless statistical claims to the contrary sex trafficking never increases as a result of these global mega events but police violence against sex workers always does While advocates have long decried this myth Mitchell follows the discourse across host countries to ask why this panic so easily embeds during these mega events What fears animate it Who profits He charts the move of sex trafficking into the realm of the spectacular street protests awareness raising campaigns telenovelas social media and celebrity spokespeople where it then spreads across borders This trend is dangerous because these events happen in moments of nationalist fervor during which fears of foreigners and migrants are heightened and easily exploited to frightening ends

What readers are saying about this novel: Just finished your novel Dangerous Beginnings wow what a page turner could not put it down. Did very little today sitting in the sun enjoying your wonderful way with words well done. I would recommend this book to everyone. Congrats on your first publication. Davine Felotick Dangerous Beginnings is a wonderfully written easy to read novel that I totally enjoyed. This has a different twist to it as the crime is something most of us do not know about but it is on every level a true and haunting one. Not just for Mexico but for hundreds of countries. I felt as if I was going back with you to a Mexico I remember. I sensed that heat as you step off the plane the culture the romance and the very idea of beginning again with Susan's every word. I wish you much luck and good fortune with this book and can not wait to hear more tales of Susan, Rat, and now Miguel. Do yourselves a favour por favor mi amigas and beg, buy or borrow this book. Lynda Curlette Just got done with Dangerous Beginnings. It was a great read and it kept me turning pages till the very end. If I'm tired today it's because once I started reading I didn't stop till I finished the whole thing lol. I wish you the best of luck at your upcoming signings. Congratulations on a very fine book. Such a lovely setting for a story and I felt like I knew the characters. Joyce Zikursh

Los Iniciados Nicolás Lapido, 2023-05-12 La rutina trivial de tres chicos que comparten una casa se ve trastocada por la aparición de la nieta de un propietario anterior. De repente se encuentran con la oportunidad de despegarse de un futuro incierto y de los fantasmas que acechan desde el pasado. Un llamado a la aventura que es al mismo tiempo un retrato generacional repleto de referencias pop y una exploración del pasaje de la juventud a la adultez. Una historia que se construye desde diferentes puntos de vista recuperando la voz de los protagonistas y la mirada del mundo que los rodea del barrio y sus mitologías. Con un tono introspectivo como si fuera relatado en voz baja alterna la ironía a la nostalgia y una tristeza que nunca llega a desplegarse del todo. Bajo la escarica de un relato coming of age aborda de forma lateral temas como el amor, el duelo, la búsqueda de identidad, la familia y la crítica social.
