The Gospel of Inclusion Carlton Pearson, 2009-03-10 Draws on biblical scripture to argue that the controlling dogmas of religion have caused many of the world's ills and that we should have the same attitude in a controversial study that calls for an end to conflict and division along religious lines

New Light on Old Truths William Edward Henley II MDiv, 2022-02-09 There has been much in church theology over the years that has come about as looking at the Bible as a great literary book But if we look at the Bible as a historical book how do things change And even if our theology is correct are the actions Christians and the Church engage in correct Inside we discover many instances where what many Christians believe do not match up with the Bible William also shares part of his amazing testimony inside about coming from a cessationist background to encountering God through the gifts of the Spirit

Death, Dying, and Bereavement in a Changing World Alan Kemp, 2018-11-02 In this introductory text on thanatology Alan Kemp continues to take on the central question of mortality the centrality of death coupled with the denial of death in the human experience Drawing from the work of Ernest Becker *Death Dying and Bereavement in a Changing World* provides a multidisciplinary and multidimensional approach to the study of death putting extra emphasis on the how death takes place in a rapidly changing world This new second edition includes the most up to date research data and figures related to death and dying New research on the alternative death movement natural disaster related deaths and cannabis as a form of treatment for life threatening illnesses and updated research on physician assisted suicide as well as on grief as it relates to the DSM 5 have been added

Theologizing in the Radical Middle Ryun H. Chang, 2018-09-17 This book doesn't endorse any systematic theology rather it's about how we theologize Why do two equally trained theologians studying the same book and loving the same Lord arrive at such different conclusions This theological disagreement at times becoming personal spills over from the academia to seminaries and churches And if history is any indicator this always weakens the unity of the church Who needs unity when correct doctrines are at stake right But is the defense of all doctrines worth foregoing the unity of the church despite Jesus' prayer that they may be one even as we are one At bottom our theological contentiousness stems from not recognizing that the way biblical revelation is framed is not designed to be handled the way seminaries typically do Regardless we strive for the rightness of our tidy theology even disowning those who disagree while doing so The disavowal of continuationists by the Strange Fire crowd is the most recent instance in a long line of placing doctrinal purity

over the unity of the body This book uncovers how Scripture is really structured and how therefore we need to theologize differently so that we may grow spiritually in Word and Spirit
