common sense we're supposed to believe that there is no difference. And if you insist there is, you just might be accused of a hate crime. Our culture and our laws are endorsing a worldview rooted in craziness. For instance, we're told that Boys who think they're girls and who could change their minds tomorrow should be allowed to participate in girls sports and shower in their locker rooms. Expectant mothers are now birthing individuals. Coed college dorm rooms and bathrooms are great, but single sex clubs are a campus danger. It's horrible for stores to have separate boys and girls clothing departments, let alone toy sections. It would be a great idea for our military to lower physical standards and push young women and mothers into combat roles in the military. If you think that's insanity, you're not alone, but you might be surprised at just how widespread and successful this lunatic campaign has become. In her compelling new book *Sex Scandal*, journalist Ashley McGuire takes this radical campaign to task and reveals how so-called gender norming flies in the face of science, which is proving that men and women are even more different than commonly acknowledged. Why, especially if you have kids, it's almost impossible to avoid the dangerous consequences of a gender neutral world. How embracing sexual differences can make policing safer, government more efficient, and hedge funds lose less money. How gender neutrality is making women more vulnerable to violence. How the word gender, formerly a grammatical term, has been used to dismiss the reality of definite biological sex, male and female, with fluid gender identities. Why gender insanity is not something we can just ignore and hope will fade away, but need to refute now with hard, cold facts before it does any more damage, which it likely will. *Sex Scandal: The Drive to Abolish Male and Female* is packed with news, breaking interviews, shocking examples, and inconvenient facts that everyone needs to read and act on. *Thomas Adès Studies* Edward Venn, Philip Stoecker, 2021-11-25 Thomas Adès is a dominant force in contemporary music whose work attracts significant attention and acclaim and has been performed by many renowned ensembles. This volume, the first to present a range of scholarly essays on every aspect of Adès's music, offers authoritative accounts of Adès's major compositions from a variety of analytical, critical, cultural, and historical perspectives. The opening chapters focus on Adès's earlier music, offering close readings of key works. Further essays focus on his engagement with forms and instrumental genres. The final chapters turn to Adès's textured music and highlight how themes introduced in earlier chapters cut across Adès's entire output. Richly illustrated with musical examples and supported by further online material, this book provides a multi-faceted portrait of Adès's work that opens up new ways of thinking about and engaging with his music. **Surrender to Me** Shayla Black, 2013-07-02 A secret fantasy turns into an uncontrollable obsession in this *Wicked Lovers* novel from New York Times bestselling author Shayla Black. Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play humiliation discipline multiple partners forced exhibition submission and dominance All characters are 18 or older Jennifer s dominant Robert has applied for the two of them to become members in the highly exclusive Tremboix Society a BDSM network of the city s most powerful and influential Though Robert Daniels surely falls within that category he agrees that they must go through the Tremboix s rigorous screening process Rather than questionnaires or resumes the Tremboix uses only one metric to assess potential couples the worthiness of the submissive So it is that Jennifer finds herself standing alone before a gathering of the city s most powerful and sexually dominant men with only one task obey Excerpt Any woman can give in to a little rough sex he went on A firm hand or even a couple tight knots and most women think they ve learned what it is to give in and submit His hand brushed upwards from my hip caressing the side of my breast almost imperceptibly and then ran back down and out over my sensitive stomach He felt me trembling in his hands felt each little automatic response to every contact he made with me The hand rose again and cupped my right breast teasing at the nipple ever so lightly I felt myself thrusting my chest into his hand begging for more substantial stimulation but his hand withdrew in just far enough to maintain its infuriating lightness All the while the other hand worked its delicate touch up my thigh claiming my body as his one inch at a time As he continued to speak his tone became quieter and more seductive almost hypnotic But me I can tell when a woman is truly utterly powerless It doesn t have anything at all to do with ropes The tips of his fingers brushed the lace of my panties Do you know what I mean Jennifer Yes I gasped I felt paralyzed by need not just his touch but his orchestration He was playing my body and every note seemed to match a perfect harmony I had never listened for before All the while it seemed that the air I breathed was of nothing but his scent issuing me deeper into his world of physical bliss Yes sir I repeated slightly less breathlessly in an attempt to hide my state from the onlookers Jack of course knew precisely what he was doing to me There was no concealing this experience from him I would be safe in his arms his touch told me I could let myself go
