**The Death of Deaths in the Death of Israel** Kenneth Turner, 2010-11-15 This book explores Deuteronomy's understanding of exile While Deuteronomy speaks of a potential historical experience in the nation's future exile is also a dynamic theological concept In short exile represents the death of Israel In losing her land Israel apparently loses her identity history and covenant relationship with Yahweh Restoration from exile then is a resurrection from death to life A major catalyst for this book is a network of debates among Evangelicals in New Testament theology including covenant nomism and the New Perspective on Paul For some Jesus preaching of the kingdom and the forgiveness of sins is tied up with the nation's expectations of the return from exile which is fulfilled in his death and resurrection Proponents of this position e.g. N.T. Wright often turn to Deuteronomy for support Additionally in exploring the theme of restoration in Deuteronomy the author argues persuasively for a view of the Torah that highlights grace grace in salvation as well as grace in Israel's ultimate fulfillment of the call of God
