Teaching History in the Era of Globalization: Epistemological and Methodological Challenges Cosme J. Gómez Carrasco, Pilar Rivero, Álvaro Chaparro-Sainz, 2022-10-20 *Narrating the Soviet Era in Russian School History Textbooks* Olga Konkka, 2025-09-03 This study focuses on how Russian history textbooks published between 1992 and 2021 dealt with the topic of the Soviet period 1917 1991 Representations of this part of Russia's past in school manuals have provoked vivid debates and bolstered government intervention in the field while a gradual shift towards a less critical narrative of the USSR in more recent textbooks is often presented as directed by Vladimir Putin This study combines research into these texts and inquiry into those who write publish approve or criticize them Bringing together these perspectives provides a more complex view of school textbooks as final products of both top down and bottom up processes This volume is aimed at postgraduates researchers and academics specializing in Soviet history contemporary Russian politics and society and history education and textbooks **The Cold War in the Classroom** Barbara Christophe, Peter Gautschi, Robert Thorp, 2019-10-23 This book is open access under a CC BY 4.0 license This book explores how the socially disputed period of the Cold War is remembered in today's history classroom Applying a diverse set of methodological strategies the authors map the dividing lines in and between memory cultures across the globe paying special attention to the impact the crisis driven age of our present has on images of the past Authors analysing educational media point to ambivalence vagueness and contradictions in textbook narratives understood to be echoes of societal and academic controversies Others focus on teachers and the history classroom showing how unresolved political issues create tensions in history education They render visible how teachers struggle to handle these challenges by pretending that what they do is just history The contributions to this book unveil how teachers backgrounding the political inherent in all memory practices often nourish the illusion that the history in which they are engaged is all about addressing the past with a reflexive and disciplined approach *Education Reform and Internationalisation* David Bridges, 2014-08-28 This collection presents new investigations into the role of heritage languages and the correlation between culture and language from a pedagogic and cosmopolitical point of view **The Palgrave Handbook of History and Social Studies Education** Christopher W. Berg, Theodore M. Christou, 2020-04-03 This Handbook presents an international collection of essays examining history education past and present Framing recent curriculum reforms in Canada and in the United States in light of a century long debate between the relationship between theory and practice this collection contextualizes the debate by exploring the evolution of history and social studies education within their state or national contexts With contributions ranging from Canada Finland New Zealand Sweden the Netherlands the Republic of South Africa the United Kingdom and the United States chapters illuminate the ways in which curriculum theorists and academic researchers are working with curriculum developers and educators to translate and refine notions of historical thinking or inquiry as well as pedagogical practice *HISTORY GEOGRAPHY GK GENERAL*

Progressive Reading Education in America Patrick Shannon, 2017-06-14 Through firsthand accounts of classroom practices this new book ties 130 years of progressive education to social justice work Based on their commitments to the principle of the equal moral worth of all people progressive teachers have challenged the obstacles of schooling that prevent some people from participating as full partners in social life in and out of the classroom and have constructed classroom and social arrangements that enable all to participate as peers in the decisions that influence their lives Progressive reading education has been and remains key to these ties commitments challenges and constructions The three goals in this book are to show that there are viable and worthy alternatives to the current version of doing school to provide evidence of how progressive teachers have accommodated expanding notions of social justice across time taking up issues of economic distribution of resources during the first half of the 20th century adding the cultural recognition of the civil rights of more groups during the second half and now grappling with political representation of groups and individuals as national boundaries become porous and to build coalitions around social justice work among advocates of differing but complementary theories and practices of literacy work In progressive classrooms from Harlem to Los Angeles and Milwaukee to Fairhope Alabama students have used reading in order to make sense of and sense in changing times working across economic cultural and political dimensions of social justice Over 100 teacher stories invite readers to join the struggle to continue the pursuit of a just democracy in America

Women's Lives around the World Susan M. Shaw, Nancy Staton Barbour, Patti Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04 Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women s newer roles in society This four volume encyclopedia examines the lives of women

around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women s lives and contributions Primary source documents include sections of countries constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations about women and girls The organization of the set enables readers to take an in depth look at individual countries as well as to make comparisons across countries The Oxford Handbook of Feminism and Music Education Marissa Silverman,Professor of Music and Coordinator of Music Education Marissa Silverman,Associate Professor of Music Education Faculty of Music University of Toronto Associate Dean Nasim Niknafs,Nasim Niknafs,2025 The Oxford Handbook of Feminism and Music Education brings together a wide range of international philosophical and qualitative scholars practicing music teachers educators policymakers and community musicians to conceptualize analyze and critique the multifaceted practices and problems in music education through feminist perspectives Utah Code Annotated 1953 Utah,1953 **Common Sense Questions about Tests** Gerard Giordano,2016-03-07 Parents had questions about the tests their children took at school They considered them to be common sense questions They posed them to the businesspeople publishers and politicians who championed tests They also posed them to the school administrators teachers and union leaders who criticized them This book examines the questions the parents posed the answers they elicited and the changes they prodded International Handbook on Education in Southeast Asia Lorraine Pe Symaco,Martin Hayden,2021-12-23 This International Handbook provides a detailed account of the education systems of 11 Southeast Asian nations including Brunei Darussalam Cambodia Indonesia Lao People s Democratic Republic Malaysia Myanmar the Philippines Singapore Thailand Timor Leste and Vietnam It presents a systematic sector by sector explanation of how these national education systems deliver educational services and respond to national and international issues and challenges With 56 chapters the International Handbook is the region s most comprehensive educational reference source In the first of its chapters the editors introduce the regional context and draw attention to the distinctive characteristics of each of the 11 systems Southeast Asia representing 8.5% of the world s population is as dynamic as it is diverse The International Handbook charts progress and establishes a benchmark for documenting future developments It also provides a stepping off point for more detailed investigations of decision making processes and outcomes across the 11 national education systems **The Civic Mission of Museums** Anthony Pennay,2020-12-15 Museums have long sought to maintain relevance in the daily lives of their communities Over the past several decades museums have shifted as a field from a focus on collections to a focus on connecting with audiences More recently museums

must confront political polarization and a decreasing sense of trust in nearly every public institution As a result few institutions are better positioned to serve the country than museums In fact polls show that museums rank among the most trusted institutions in the country regardless of political belief During tumultuous times this trust means that museums have a unique and important responsibility to fulfill their civic mission A century ago John Cotton Dana argued that the most important thing a museum can do is produce a public benefit The Civic Mission of Museums argues that museums play an essential role in the cultivation of engaged and informed citizens The book outlines a spectrum of civic learning that includes civic knowledge civic mindset civic skillset and civic action It offers concrete examples of impactful civic programming exhibits and public engagement from a diverse set of museums It ends with a practical toolkit gleaned from across the country for museum professionals to utilize Civics and Citizenship Benilde García-Cabrero,Andrés

Sandoval-Hernández,Ernesto Treviño-Villareal,Silvia Diazgranados Ferráns,María Guadalupe Pérez Martínez,2017-08-24 The book is organized around four sections The first section is an introduction to the problem of defining the scope and foundations of the development of moral personality and social engagement in particular the development of civic and ethical attitudes and prosocial behavior The second section presents a comparative analysis of education policies in Mexico Chile and Colombia in particular the way the curricula of civic and citizenship education is designed and implemented The section also describes and analyzes the way this subject is taught in the classrooms of the primary secondary and high school levels in the three countries The third section includes the results of research projects in Civics and Citizenship Education conducted with different theoretical and methodological models of analysis This last section includes some of the best practices of Civic Education that have been developed in Mexico Colombia and Chile *BATES' Guide to Physical Examination and History Taking* Uzma Firdaus,2020-04-01 Bates Guide to Physical Examination and History Taking is
