It Only Got Worse:

Short Stories Volume 2: 2006-2010 Matthew Pointon, 2017-10-18 The second volume of Matthew E Pointon's short stories covering the years 2006 to 2010. This varied collection of tales arranged in the order in which they were written has something to capture the imagination of every reader.

Broken Not Shattered Kyna Bryn, 2023-07-11 This is a story of one woman's journey through horrendous obstacles and terrible injustices. Broken Not Shattered reflects the molding of a true warrior of God. From the day she was born, Zara Banks was in a struggle for survival. After being exposed to abuse, neglect, rejection, and being bullied most of her life, Zara struggled to understand if she even had a purpose in this world. Once becoming a mother herself, Zara questioned why God would allow so many horrific things to happen to her. How could she be the mother she knew she wanted to be when the torment of her past continued to haunt her? Zara continued to face trials in her life that seemed to rival that of Job, but through every trial, she continued to fight for what she felt was right. Facing a millionaire that tried to take her only child, suffering the abuse of her past, and fighting her addictions by never giving up, Zara became a stronger woman who overcame adversity worse than most of us can even imagine. In the end, she emerged from the flaming depths of hell that continued to surround her in life. Broken Not Shattered proves that you can come out of the darkness in this world much stronger, confident, and victorious. This heart-wrenching, detailed real-life story is a must-read for social workers, educators, and all human service professionals. Zara represents our mothers, daughters, aunts, sisters, and neighbors. The unconditional love she reflects for God and her daughter, with her humility and capacity for forgiveness, is an inspiration for all women.

Kim Wasik, retired and still currently a licensed social worker (LMSW), cannot express how much this book changed my life and exposed faith I never knew I had. Broken Not Shattered opened my eyes to realize that I was worth the fight. This book truly saved me from giving up and gave me the confidence to make changes not only for myself but also for my children. I realized that if this woman could go through hell and come back, then I could too.

Laci Hall **Thank You for Your Servitude** Mark Leibovich, 2022-07-12 The #1 New York Times Bestseller. He's one of the best chroniclers of politics today. Jake Tapper: This is a really funny book. Kara Swisher: His writing is so damn good. John Berman: Really fascinating. There are so many revelations. Anderson Cooper: The new must-read summer book. Stephanie Ruhle: From the author of the #1 New York Times bestseller *This Town*, the eyewitness account of how the GOP collaborated with Donald Trump to transform Washington's swamp into a gold-plated hot tub and a one-time party of rugged individualists into a sycophantic personality cult. In the early months of Trump's candidacy, the Republican Party's most important figures, people such as Marco Rubio, Ted Cruz, and Lindsey Graham, were united and loud in their scorn and contempt. Even more in their outrage, Trump was a menace and an affront to our democracy. Then awkwardly, Trump won. *Thank You for Your Servitude* is Mark Leibovich's unflinching account of the moral rout of a major American political party, tracking the transformation of Rubio, Cruz, Graham, and their ilk into the administration's chief enablers and the swamp's lesser lights into frantic chasers of

the grift What would these politicians do to preserve their place in the sun or at least the orbit of the spray tan What would they do to preserve their relevance Almost anything it turns out Trump's savage bullying of everyone in his circle along with his singular command of his political base created a dangerous culture of submission in the Republican Party Meanwhile many of the most alpha of the lapdogs happily conceded to Mark Leibovich that they were in on the joke As Lindsey Graham told the author his supporters in South Carolina generally don't read The New York Times and they won't read this book either All that cynicism shading into nihilism led to a country truly unhinged from reality and to the events of January 6 2021 It's a vista that makes the Washington of This Town seem like a comedy of manners in comparison Thank You for Your Servitude isn't another view from the Oval Office it's the view from the Trump Hotel We can check out any time we want but only time will tell if we can ever leave
