the dish is served and while it is cooked And it doesn't matter if you are only two to eat or if there is the whole family with friends and relatives and therefore if you become 10 or 20 or even 50 people from 2 Nonna Imma puts everyone at the table and her book makes anyone able to do the same I remember the tables on the beach with pots of first courses and then the second courses and then the side dishes the creams not to mention the desserts the liqueurs and in the afternoon even the pizzas And so in honor of the Queen of the Table I decided to publish Nonna Imma's recipes because they are written with love Nonna Imma transformed cooking into an art with which to take care of people do it too Enjoy your reading and enjoy your meal
