

A vibrant, abstract painting of a landscape. The foreground features a path or road with a striped pattern in shades of pink, yellow, and blue. To the left, there's a large, textured area in pink and yellow. The background is filled with various colors like green, blue, and red, suggesting foliage and sky.

# La Caresse Du Temps

**François de Muizon**

## La Caresse Du Temps:

, **Entre l'Un et l'Autre** Nathalie Dugravier,2021-10-01 Le d sert un visage une trace la vie Pour remonter la trace invisible vers ce visage aperu quarante ans plus tard l'auteure entreprend une double analyse de la relation phénoménologique puis hermétique afin de décrire les contours et de chercher le sens Les apories laissent bantes par le visage Levinassien sont autant de défis jetés à la théorie peut-on penser une relation qui préserverait les absous en présence Si connaître l'autre est toujours le moyen de connaître y a-t-il une place disponible pour la reconnaissance Le sujet otage toujours l'accusatif chez Levinas la fuite individuelle du visage de l'autre fragilise la relation elle-même qui reste toutefois présente dans ce qu'il appelle relationnel Si la relation est toujours production de l'autre au moyen de quel sens peut-elle encore avoir La rencontre entre sujets ne peut faire l'économie de la traversée du non-sens le mal sous toutes ses formes c'est alors au cœur même de la différence entre l'un et l'autre que sera cherchée la source du sens lui-même

### Hospitalité

Jacques Derrida,2022-11-04T00:00:00+01:00 Jacques Derrida poursuivit pendant plusieurs années un cycle de recherches sur les enjeux actuels philosophique, théologique, juridique ou politique du concept de responsabilité Après avoir privilégié le titre de fil conducteur les thémes du secret et du témoignage il a laboré une problématique de l'étranger Qu'appelle-t-on un étranger Comment l'accueille-t-on Comment le refoule-t-on Quelle différence entre un autre et un étranger Qu'est-ce que une invitation une visite une visiteation Ces questions et d'autres semblables ont conduit Jacques Derrida dans cette deuxième année de son ministère sur l'hospitalité cheminer assez longuement dans une problématique juive de l'hospitalité se laissant alors guider par des textes bibliques parfois interprétés par Emmanuel Levinas puis dans une problématique arabo-musulmane sur le seuil de laquelle il étudie l'œuvre de Louis Massignon et son discours sur la tradition de l'hospitalité abrahamique La lecture de ces deux grands corpus se rassemble un moment donné autour du concept et du mot de substitution La substitution occupe au centre de ces deux pensées une place décisive et nigmatique justement quant à l'accueil et l'hospitalité Jacques Derrida étudie la fois les filiations et la logique de ce ministère à tablier par Pascale Anne Brault et Peggy Kamuf
