## **Mitchell Report On Israel:**

**The Discourse of Palestinian-Israeli Relations** Sean F. McMahon, 2010-04-15 This Foucault inspired analysis of the degeneration of the Oslo Process into direct Palestinian Israeli violence critically examines the ideas and practices that define Palestinian Israeli relations The text offers a radically different peace proposal that moves far beyond exhausted calls for confidence building measures and or an end to settlement construction

*Israel, Palestine, & the Quest for Middle East Peace* Dennis J. Deeb II, 2013-06-13 After the U S led invasion of Afghanistan and Iraq Pakistan s then President Pervez Musharraf declared The Palestinian front is affecting the entire Muslim world All terrorists and militant activity in the world today has been initiated because of the Palestinian problem This is because of the sense of hopelessness alienation and powerlessness The decade following the aftermath of September 11th has only proven that a comprehensive peace settlement in the Middle East and a resolve to the Israeli Palestinian conflict are a crucial necessity to global stability In this well researched and thoroughly documented work Professor Dennis J Deeb II objectively aims to provide both a historical narrative of the events surrounding the Israeli Palestinian conflict and a historiography exploring the failures to achieve the end result of a final settlement between the Israelis and the Palestinians What went wrong with peace This book explores the issues of contention that must be resolved between the parties to reach a lasting settlement

had a long history of involvement in the peace process Their combined expertise and personal experiences add a unique dimension to this book that will provide anyone interested in the conflict with a distinct easy to use comprehensive compilation of relevant documents *Israel Or Palestine? Is the Two-state Solution Already Dead?* Hasan Afif El-Hasan,2010 Books on the Palestinian conflict tend to focus on one historical period and blame one side or another for the Palestinians predicament This work fills the need for a source that tells a comprehensive story of the conflict since the nineteenth century when Zionism was conceived in Europe and Palestine was home for Arab majority and very small Jewish minority It reviews and analyzes the histories of Arab nationalism Zionism Palestinian nationalism and the roles played by Jordan and Egypt in the Palestinian conflict over the years **Israel's Counterterrorism Strategy** Boaz Ganor,2021-07-20 Since declaring independence in 1948 Israel has been involved in an intractable conflict with the Palestinians and its neighbors While violence has ebbed and flowed over the years the threat of terrorism has remained a constant factor shaping Israeli security policy in a unique way Boaz Ganor provides an authoritative analysis of Israel s approach to counterterrorism throughout its existence Drawing on unprecedented access to Israeli leaders he offers a comprehensive insider s account of the decision making processes challenges and dilemmas at the core of counterterror activities Beginning with infiltration attacks from neighboring states immediately after independence and proceeding through the formation of organized Palestinian terror organizations up to the present day this book details distinct eras of terrorism and how the Israeli state has counteracted them Ganor also highlights the dynamic nature of both terrorism and counterterrorism Just as waves of terror rise fall and evolve so too do the measures employed to respond to them He distills the lessons of Israel s experience into key tenets for other countries facing the challenge of terrorism The book features revelatory personal testimony from senior Israeli decision makers who have played pivotal roles in counterterrorism strategy including prime ministers defense ministers Israeli Defense Forces chiefs of staff and directors of Mossad and Shin Bet Israel s Counterterrorism Strategy is indispensable reading for students scholars and practitioners alike [The Collapse of Middle East Peace](#) Dennis J. Deeb II,2003 In this fast paced well researched work author Dennis D J Deeb objectively traces the rise and fall of the Oslo Peace Accords between the Israelis and the Palestinians What went wrong with peace This work analyzes Israeli leader Ariel Sharon s statements and past record as a military and government leader with regards to the Peace Process Deeb also discusses the corruption within the Palestinian Authority that has hindered the peace process including the mismanagement of Palestinian Authority President Yasir Arafat The author examines and supports what has become known as The Mitchell Report released in the spring 2001 in offering a lasting peace between Israelis and Palestinians He also considers and evaluates the recent Road Map To Peace proposal offered by President George W Bush in the spring of 2003 Since 1993 both Israeli and Palestinian leaders have failed to implement and have violated provisions of the Oslo Accords As the late Israeli Prime Minister Yitzhak Rabin who gave his life in the name of peace and to whom this writing is dedicated articulated so clearly during the signing

of the Oslo Accords enough blood and tears Finally Deeb argues that the intent behind the Oslo Accords encompass the link between the end of war and the era of peace that the Israelis and Palestinians should both return to the table for negotiations based upon the recommendations of The Mitchell Report and the Quartet Road Map To Peace to negotiate a final and lasting settlement rooted in the Oslo Peace Accords

**The Israeli-Palestinian War** Anthony H. Cordesman,2005-10-30 The Israeli Palestinian conflict is more than a local or regional dispute Its ongoing and escalating nature increases the risk that the violence will spill over its present borders and contribute to both extremism and terrorism While the Intifada from 1987 to 1993 was largely a popular uprising and a political struggle the recent clash is a war with a steady escalation between conventional and unconventional forces It is in the interest of all major powers the international community and the United Nations to press both sides to accept a realistic peace plan Noted Middle East expert Anthony Cordesman details this continuing struggle by explaining the issues at stake for each side the various combatants both directly and indirectly engaged as well as the course of the war in its various incarnations The situation on the ground is complex and the quest for peace is ever more uncertain If the Intifada was a struggle for recognition that a peace had to be reached that was just for both sides the Israeli Palestinian War has polarized both sides away from peace convincing them of the justice of their own cause and tactics and the fundamental injustice of the other side s tactics and goals Each side has used human rights international law and civilian casualties as political weapons The history of a near century of conflict is used to justify war rather than a search for peace

**Understanding the Arab-Israeli Conflict** Michael Rydelnik,2007-10 The authors place the Arab Israeli conflict in its biblical historical and prophetic contexts and maintains that the true story behind the crisis has not been reported by the media

**The Dark Side of Zionism** Baylis Thomas,2011-01-01 The thesis of The Dark Side of Zionism arising from new histories neglected by the media is that both the early Zionists and the Israelis sought their security through military domination of the indigenous Arab population of Palestine This strategy required avoiding negotiations with the Palestinians as well as demonstrating Israeli military might through wars initiated against Arab states opposed to an Israeli takeover of Palestine

**The Politics of the Palestinian Authority** Nigel Parsons,2005-06-07 This book explores the development of the Palestinian Liberation Organization PLO from a liberation movement to a national authority the Palestinian National Authority PNA Based on intensive fieldwork in the West Bank Gaza and Cairo Nigel Parsons analyzes Palestinian internal politics and their institutional building by looking at the development of the PLO Drawing on interviews with leading figures in the PLO and the Palestinian Authority delegates to the negotiations with Israel and the Palestinian political opposition it is a timely account of the Israel Palestine conflict from a Palestinian political perspective

*The Right Man* David Frum,2005-01-18 The Right Man is the first inside account of a historic year in the Bush White House by the presidential speechwriter credited with the phrase axis of evil David Frum helped make international headlines when President George W Bush s 2002 State of the Union address linked international terrorists to Iran Iraq and North Korea But that was only one moment during a crucial time in American history when a president an administration and a country were transformed Frum worked with President Bush in the Oval Office traveled with him aboard Air Force One and studied him closely at meetings and events He describes how Bush thinks what this conservative president believes about religion

race the environment Jews Muslims and America's future Frum takes us behind the scenes of one of the most secretive administrations in recent history with revealing portraits of Karl Rove Karen Hughes Condoleezza Rice and many others Most significant he tells the story of the transformation of George W Bush how a president whose administration began in uncertainty became one of the most decisive successful and popular leaders of our time Before becoming a White House speechwriter David Frum was a highly regarded author of books and political commentary and an influential voice on the pages of The Wall Street Journal and The Weekly Standard His commentary has been described by William F Buckley as the most refreshing ideological experience in a generation Now in The Right Man we see Frum as a front row observer and participant Not since Peggy Noonan's account of her time in the Reagan White House has an insider portrayed a sitting president with such precision verve honest admiration and insight The Right Man will command international attention for its thoughtful account of George W Bush in the midst of his greatest challenge It will be an essential reference for anyone seeking to understand who our president really is and how he is likely to lead us in the future

**Israel under Siege** Raffaella A. Del Sarto,2017-06-01 Raffaella A Del Sarto examines the creation of Israel's neo-revisionist consensus about security threats and regional order which took hold of Israeli politics and society after 2000 and persists today The failed Oslo peace process and the trauma of the Second Palestinian Intifada triggered this shift to the right

conflicts with Hamas and Hezbollah and the inflammatory rhetoric of Iranian President Ahmadinejad additionally contributed to the creation of a general sense of being under siege While Israel faces real security threats Israeli governments have engaged in the politics of insecurity promoting and amplifying a sense of besiegement Lively political debate has been replaced by a general acceptance of the no compromise approach to security and the Palestinians The neo revisionist right represented by Benjamin Netanyahu and the Likud has turned Israel away from the peace process and pushes maximalist territorial ambitions But they have failed to offer a vision for an end to conflict and there has been little debate about whether or not the hardline policies toward the region are counterproductive Del Sarto explains this disappearance of dissent and examines the costs of Israel s policies She concludes that Israel s feeling of being under siege has become entrenched a two state solution with the Palestinians is highly unlikely for the foreseeable future and Israel s international isolation is likely to increase Del Sarto s analysis of this tense political situation will interest scholars and students of the Israeli Palestinian conflict Middle East Studies and International Relations
