

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

*2012 GCSE English results* Great Britain: Parliament: House of Commons: Education Committee, 2013-06-11 The 2012 GCSE English results prompted significant controversy which ultimately resulted in an application for judicial review This report sets out the background to these events and identifies lessons to be learned The problems with GCSE English can be traced back to the 2007/09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances Exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim Ofqual Further difficulties arose because of pressures from the school accountability system The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding The current status of Ofqual as an independent regulator accountable to Parliament is the right one However the Coalition Government is bringing in wholesale changes to GCSEs and A levels to a tight timetable and at the same time Ofqual must have systems in place The Committee is also concerned that there is a rush towards separate exam systems for England Wales and Northern Ireland without careful reflection on what might be lost or consensus that this is the right thing to do

**China's Economic Development** Lee Pei May, 2024-06-21 Through a rigorous examination of China's rise Lee addresses an important question Did China catch up Or more specifically can growth be automatically translated to catching up with the advanced industrialised countries or has it only allowed limited progress if any to be made To answer these queries and the broader question of the possibility of the Global South converging with the Global North four development theories are utilised with competing explanations to uncover the complexity and multifaceted development of China This includes whether China really has a unique developmental model to offer Positioning China within the global economy this book traces its developmental progress over time as well as its progress relative to other countries To understand whether

the Chinese political economy is socialist or not Lee moves away from the orthodox definition of socialism and instead examines the official narrative of Socialism with Chinese Characteristics Lastly this book argues that though China is catching up challenges that could potentially block China's progress for a full catch up are to be anticipated A useful resource for students and scholars in the fields of international relations international political economy Chinese studies and development studies
