Quadrilingual Education in Singapore
Rita Elaine Silver, Wendy D. Bokhorst-Heng, 2016-01-21. This book explores Singapore's language education system. Unlike previous volumes which discuss the bilingual requirement for learning, it focuses on Singapore's quadrilingual system, bringing together articles on each of the four languages: English, Mandarin, Malay, and Tamil, as well as articles that examine more than one language. It highlights past successes, current concerns, and future directions for language education. The book focuses on classroom pedagogy in all four official languages, showcasing how languages are taught and learned in Singapore as a basis for better understanding the system from the inside out. The authors present empirical classroom-based studies on language pedagogy in all four languages, as well as updated information on the current socio-political context and how it has influenced attempts at pedagogical innovation. Consideration is given to the dialectical relationship between policy and practice. The chapters also include discussions of pre-school age learning, influences of language policy, home literacy practices, and commentaries by international language in education scholars. This approach also provides a basis for international comparison, especially for those who are interested in fostering English proficiency while maintaining one or

more national languages The volume is particularly important in light of the continuing international efforts to integrate English into national educational systems where it is not the dominant language *CTET Success Master Paper 1 for Class 1 to 5 for 2021 Exams* Arihant Experts, 2021-05-26 1 Success Master Study Guides focus in the preparation of CTET teaching Exam 2 This book deals with CTET Mathematics and Science Paper I Classes 1 5 3 Divided into 5 main Sections completely prepared on the latest exam pattern 4 Provides Previous years Solved Papers 2 Practice Sets and more than 3000 MCQs are given for thorough practice CTET provides you with an opportunity to make a mark as an educator while teaching in Central Government School Prepared as per National Curriculum Framework here s representing the updated edition of Success Master CTET Paper I Class I V that serves as a study guide for the candidates who are willing to appear for the exam this year The book provides focused study material dividing the entire syllabus into 5 majors providing the complete coverage With more than 3000 MCQs are provided for the quick revision of the concepts Chapterwise coverage of the previous Years questions along with the Trend Analysis help aspirants for better preparation Lastly Solved Paper 2021 2 Practice Sets are given leaving no stones untouched Preparation done from this book proves to be highly useful for CTET Paper 1 in achieving good rank in the exam TOC Solved Paper 2021 January Solved Paper 2019 December Solved Paper 2019 July Solved Paper 2018 December Solved Paper 2016 September Child Development and Pedagogy English Language and Pedagogy Hindi Bhasha evm Shiksha shastra Mathematics and Pedagogy Environmental Studies and Pedagogy Practice Sets 1 2
