Exporting Laurel J. Delaney, 2016-10-19 Laurel Delaney writes in a tremendous spirit of service to entrepreneurial and small business leaders navigating the opportunities of globalization Whether leading a fresh startup a small business or an entrepreneurial growth company seeking greatness the question of whether and how to go global must be addressed Delaney shows yet again her passionate dedication to serving her readers with deeply practical guidance Jim Collins author of Good to Great and co author of Beyond Entrepreneurship Gain the knowledge you need to market sell and fulfill orders internationally taking full advantage of the Internet and the opportunities it creates This book is the bible for entrepreneurs and small business owners taking their US businesses to the next level of growth through exports Exporting empowers readers with the can do confidence to tackle the challenges and opportunities of exporting leading to greater revenues stability and profitability for your business With 70 percent of global buying power lying outside US borders exporting is not just an option for ambitious entrepreneurs it s an absolute must for building and sustaining a successful future Typically exporting first appears on the radar of small businesses as unsolicited inquiries from foreign customers on the web via your email website blog or Facebook page People outside your country want your product and they want it now The problem is that most small business owners do not know how to service these inquiries What s the best way to ship goods Do I need a license Should I sell through wholesalers in specific countries or directly to consumers How will I get paid Reflecting the rapid rate of change in national and global trade regulations and economic conditions this second edition contains extensive updates and enhancements of the first edition s data and citations actual and prospective multilateral trade agreements especially the TPP and TTIP CFR EAR and BIS rules interviews with trade and sector specialists economic trends and shocks affecting export opportunities and risks in various regions and sectors and the annotated selection of recommended exporting resource sites Exporting The Definitive Guide to Selling Abroad Profitably Lays out simple steps and tips to conduct market research find customers open new markets create an export business plan get paid and ship goods and services efficiently and profitably Shows you how to use the Internet and social media to mediate the exporting process and expand your international presence Details how the US government helps exporters and how to avoid foreign regulatory pitfalls Exporting Essentials Laurel J. Delaney, 2014-11-19 Exporting Essentials Selling Products and Services to the World Successfully is for entrepreneurs and small business owners the makers movers and shakers in our world interested in taking their businesses to the next level of growth through exports This short hard hitting book covers just the essentials providing the tools you need to tap new markets And it couldn't be more timely In the old days creating an international business was left to relatively few those with the wherewithal to move boatloads of goods into foreign countries But now thanks to the Internet businesses of all sizes have a huge new opportunity to sell both goods and services globally Yet only 1% of all U S businesses export Why Typically exporting begins with unsolicited inquiries from foreign customers on the web

via email website blog or posting on a Facebook page People outside your country want your product and they want it now The problem is that most small business owners do not know how to service these inquiries What's the best way to ship goods Do I need a license Should I sell through wholesalers in specific countries or directly to consumers How will I get paid Help is here Exporting Essentials an abridged version of the author's Exporting The Definitive Guide to Selling Abroad Profitably equips you with the knowledge you need to sell and fulfill orders internationally It also imparts a can do spirit on exporting leading to greater revenues stability and profitability for your business Exporting Essentials Selling Products and Services to the World Successfully Lays out simple steps to conduct market research find customers open new markets get paid and ship goods and services Shows you how to adapt your product or service for export Provides insider tips and strategies to export efficiently and profitably Explains how the U S government helps exporters With 70 percent of global buying power lying outside U S borders exporting is not just an option for ambitious entrepreneurs it s an absolute must for building and sustaining a successful future Promoting the Export of U.S. Environmental Technologies, Goods, and Services United States.
