Gray,2013-08-30 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that Gods Word is the truth a message he hopes will motivate sinners to heed the Lords gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **There's a Place For Us: The Musical Theatre Works of Leonard Bernstein** Helen Smith,2017-07-05 Leonard Bernstein was the quintessential American musician Through his careers as conductor pianist teacher and television personality he became known across the US and the world his flamboyance and theatricality making him a favourite with audiences if not with critics However he is perhaps best remembered as a composer particularly of the musical West Side Story and for songs such as America Tonight and Somewhere Dr Helen Smith takes an in depth look at all eight of Bernstein s musical theatre works from the early On the Town written by the 26 year old composer at the start of his career to his second and last opera A Quiet Place in 1983 in between these two pieces he composed music for Trouble in Tahiti Wonderful Town Candide West Side Story Mass and 1600 Pennsylvania Avenue These works are analysed and considered against a background of musical and social context as well as looking at Bernstein s other orchestral choral and chamber works One important aspect examined is Bernstein s use of motifs in his theatre compositions which takes them out of the realms of Broadway and into the sphere of symphonic writing Smith provides an indispensable overview of the musical theatre works of an eclectic composer and shows what it is that constitutes the Bernstein sound **Philip in Search of a Wife** Epes Sargent,1843 Fame, Fortune, and Ambition Osho,2010-04-13 A provocative look at the pursuit of material
