Related to the School Child ... New York State Library,1917 Sir Henry Maine Henry Sumner Maine,Sir Mountstuart Elphinstone Grant Duff,1892 **American Lucifers** Jeremy Zallen,2019-08-19 The myth of light and progress has blinded us In our electric world we are everywhere surrounded by effortlessly glowing lights that simply exist as they should seemingly clear and comforting proof that human genius means the present will always be better than the past and the future better still At best this is half the story At worst it is a lie From whale oil to kerosene from the colonial period to the end of the U S Civil War modern industrial lights brought wonderful improvements and incredible wealth to some But for most workers free and unfree human and nonhuman these lights were catastrophes This book tells their stories The surprisingly violent struggle to produce control and consume the changing means of illumination over the eighteenth and nineteenth centuries transformed slavery industrial capitalism and urban families in profound often hidden ways Only by taking the lives of whalers and enslaved turpentine makers match manufacturing children and coal miners night working seamstresses and the streetlamp lit poor those American lucifers as seriously as those of inventors and businessmen can the full significance of the revolution of artificial light be understood **The Story of Ireland** Alexander Martin Sullivan,1867 **(In)Hospitable Encounters in Chicana and Latina Literature, Culture, and Thought** Maria Antònia Oliver-Rotger,Pere Gifra-Adroher,2024-10-17 This volume addresses the notion of in hospitality in the culture literature and thought of Chicana and Latina in the United States It underscores those stranger others against whom nativist fear and state violence are directed undocumented migrants refugees and asylum seekers Critical analyses focus on the topics of immigration and state violence hospitality in written and visual narratives and the role of hospitality in the translation of academic and literary works All essays explore the conditional character of hospitality towards Chicana and Latina and its attending myths and discourses Dwelling on the predicament that individuals and groups face as strangers unwelcome guests and unwilling hosts the essays also explore the ways in which Chicana and Latina writers artists and filmmakers may or may not challenge the guest host relationship The ethical concern that runs through the volume considers material history and the institutional disciplinary regulation of the uncertainty of hospitality acts as factors determining the narratives about foreign others

Blood and Money David McNally,2020-05-05 The history of money and its violent and oppressive origins from slavery to war by the author of *Global Slump* In most accounts of the origins of money we are offered pleasant tales in which it arises to the mutual benefit of all parties as a result of barter But in this groundbreaking study David McNally reveals the true story of money s origins and development as one of violence and human bondage Money s emergence and its transformation are shown to be intimately connected to the buying and selling of slaves and the waging of war *Blood and Money* demonstrates the ways that money has internalized its violent origins making clear that it has become a concentrated force of social power and domination Where Adam Smith observed that monetary wealth represents command over labor this paradigm shifting book amends his view to define money as comprising the command over persons and their bodies This fascinating and

informative study rich in novel insights treats money not as an abstraction from its social base but as deeply embedded in its essential functions and origins in brutal violence and harsh oppression Noam Chomsky A fine grained historical analysis of the interconnection between war enslavement finance and money from classical times to present Jeff Noonan author of The Troubles of Democracy McNally casts an unsparing light on the origins of money and capitalism itself in this scathing Marxist informed account McNally builds a powerful richly documented argument that unchecked capitalism prioritizes greed and violence over compassion T his searing academic treatise makes a convincing case Publishers Weekly **Sir Hentry Maine** Sir Mountstuart Elphinstone Grant Duff,1892 **Sir Henry Maine, a brief memoir of his life, by sir M.E.
