Dickard, 2022-01-13 Church Together is a Christian leadership book designed to give pastors church leaders and church members a working plan to overcome the greatest underlying threat to the church today individualism through five relationships of surrender which correlate to the five core values of the Church of We Part One examines the three rotten fruits of individualism within the Church of Me consumerism pragmatism and the extremes of legalism and liberalism and how to spot each of these problems Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We Church Together for this reason gives churches a manageable plan to defy the individualistic spirit of the age as they become the Church of We in the Age of Me      **The Pursuit of Holistic Holiness** Daniel Spurgeon Tankersley, 2020-10-15 The greatest pursuit in life is holiness Without holiness no one will see the Lord Heb 12:14 Unfortunately individuals churches even entire denominations often practice distorted spiritual formation As a result spiritual growth is hindered personal witness is damaged the Great Commission is inhibited and God is dishonored The solution to distorted spiritual formation is a holistic approach centered on the Great Commandment The Pursuit of Holistic Holiness provides a biblical theology of spiritual formation identifies pitfalls of imbalanced spiritual growth and offers practical solutions to help Christians recognize and overcome deficiencies in the transformation process Whatever your spiritual maturity level this book will facilitate your path forward The pursuit of holistic holiness has the potential to spark a reformation in the Church      **The Forgotten Jesus** Robby Gallaty, 2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many

Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformatory book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective deepening your relationship with God

Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God     *Living the Truth in Love* Janet Smith, 2015-07-08 *Living the Truth in Love* grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis How can the Christian community give pastoral attention to families with persons with same sex attraction While avoiding any unjust discrimination how can the Church give such persons pastoral care in light of the Gospel How can God s will be proposed to them in their situation People who want to be instruments of Christ s love to those who experience same sex attraction SSA seek guidance on how best to do so They need to listen to the stories of those who experience SSA and the stories of those who have accompanied

them on their journeys They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of Saint John Paul II s personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ s healing love Several of those who experience SSA tell their touching and inspiring stories
